Press Release

**JMI's architecture students bag trophies at the National Association of Students of Architecture,
2017 Convention**

Students of Department of Architecture, Jamia Millia Islamia have won a number of trophies including two major citations for *Battle of the Bands* and *HUDCO at the 59th Annual National Association of Students of Architecture (NASA) convention* held at Poornima University, Jaipur. They also received three special mentions for *Industrial design trophy, GRIHA* and *Laurie Baker trophy*.

A total of 54 students from the department participated in various competitions at NASA 2017. The students made it to the top ten entries in nine major trophies including *Annual NASA Design competition, Louis I Kahn trophy, University of Westminster trophy* and *Fashion trophy*.

Ar. Iqtedar Alam and Ar. Imaad Nizami, two faculty members from the Department of Architecture namely coordinated, guided and accompanied the students for the Annual NASA delegation.

"Students of the Department of Architecture are full of creativity and have enormous talent which only needs to be channelized and sharpened. We at the Department support and promote our students to compete at National and International levels so that are exposed to the professional world." Prof. S.M Akhtar, Dean, Faculty of Architecture & Ekistics, JMI said.
