Candidate's Declaration

I, **UROOJ FATIMA**, hereby, declare that the work which is being presented in this dissertation entitled "**WIRELESS PULSE OXIMETER WITH RECORDING**" submitted in partial fulfilment of the requirements for the award of **Degree of M.Sc. (Electronics)**, to the Department of Applied Sciences and Humanities, Faculty of Engineering and Technology, Jamia Milia Islamia, New Delhi- 110025, is an authentic record of my own work carried out during the project work under the supervision of **DR. ASHOK SALHAN**, Former Scientist (G), DRDO and Co-supervisor **PROF. MUSHEER AHMAD**, Head, Department of Applied Sciences and Humanities.

I have presented the work/idea in my own words and where ever other ideas or words have been included; I have adequately cited and referenced the original sources. To the best of my knowledge, the matter embodied in this dissertation has not been submitted for the award of any other degree or diploma in any other Institute/University.

I also declare that I have adhered to all principles of academic honesty and integrity and have not misrepresented or fabricated or falsified any idea/data/fact/source in my submission. I understand that any violation of the above will be cause for disciplinary action by the Institute and can also evoke penal action from the sources which have thus not been properly cited or from whom proper permission has not been taken when needed. It is further stated that if at any later stage any plagiarism or any material of this dissertation found copied from the other's work/source, I will be solely responsible for that and I will abide by the rules of Intellectual Property Act, Govt. of India.

*My exact work in JNU was a complex research of 4 branches of Physics including Electronics and Quantum mechanics as major parts. That research is confidential because it contains experimental arrangement and advanced ideas of supervisor . I took this project after knowing it all the risks before and requested to sir for allowing me complete project alone . I have done other alternate projects for presentation to submit for Msc degree .So I am going to present here only theoretical explanation of Quantum Machenics. I am very thankful to my supervisor for allowing me such an advanced project.

CERTIFICATE

This is to certify that the thesis entitled "Study of optical property of highly Luminescence Europium doped TiO_2 " is submitted in partial fulfillment of the requirement for the award of degree of master in technology in Nanotechnology at Jamia Millia Islamia, New Delhi.

It is the faithful record of bonafide research work carried out by Mr. Abdul Ahad under my supervision and guidance. It is further certify that no part of the thesis is submitted to any other university or institute for the award of any other degree or diploma to the best of my knowledge.

I am extremely satisfied with Mr. Abdul Ahad contribution to the progress of my laboratory.

To Whomsoever It May Concern

Dear Sir/Madam,

I write this letter to appreciate the work done by Mr. Prakalp Gautam in my laboratory during his stay as a project student for four months [07th Jan -10th May 2018]. During his stay he exhibited extraordinary scientific abilities which added great value to the research work carried out in my laboratory at Birla Institute of Technology & Science (BITS). He worked on the synthesis and characterization of TMDC based nanomaterials with emphasis on making TMDC based supercapacitors.

In a very short time, he was able to make nanomaterials with excellent morphology and came up with several unique recipes for synthesizing composites. His laboratory skills are excellent and I can conclusively state that he is a truly talented experimentalist. He completed all the assignments given to him on time and at the end of the project he was able to demonstrate the superior storage properties of TMDC based supercapacitors.

I am extremely satisfied with Gautam contribution to the progress of my laboratory and I am sure he has all the qualities of becoming a very good scientist. I wish him all the very best for a highly successful research career.

Sincerely,

E. S. Kannan

Offer of Appointment

Dear Sir,

We are glad to inform you that Dr. Khalid Raza, Assistant Professor, Dept. Computer Science, JMI, New Delhi, has been selected for deputation as the **Visiting Professor to ICCR** Chair of Indian Studies at Ain Shams University, Cairo, Egypt, for a period of one semester commencing from 18th September, 2017 to 18th January, 2018, extendable for one more semester on the recommendation of the Mission and host University. The terms and conditions of your deputation would be as follows:-

a. Tenure:- The period of deputation will commence from the date he joins the University and ends on the day he is relieved from the institute. The deputationist is entitled for the preparation/ joining time of up to 7 days at the time of commencement and completion of tenure, during which he should report to ICCR to sign his joining report/relieving report. If there is any gap between the date of signing the joining report/ relieving report and joining his parent University, it should be regularized by the latter under applicable rules.

b. Obligations:-

(i) Obligation of Dr. Khalid Raza will be in accordance with the MoU signed between ICCR and Ain Shams University, Cairo, Egypt.

(ii) Dr. Khalid Raza will teach course at the Ain Shams University in consultation with the Ain Shams University, Cairo, Egypt.

(iii) Dr. Khalid Raza will finalize the curriculum /course with the consultation of Ain Shams University, Cairo, Egypt.

Respected sir,

Greetings of the day!

Hope you are doing well.

This mail is in context to yesterday meeting at Department of Chemistry on collaborative work related to computational modeling.

I am directed by Dr Saurabh Varma to mail all the necessary articles to continue the process of research work.

I have enclosed a proof-of-concept with this mail. There are various research articles on in silico design of nanoparticles (RNA based, protein based) and only 1 article found in which PLGA nanoparticles were designed with the help of molecular dynamics simulation method.

Please find all the enclosed research papers related to the work.

Thanking you,

Sincerely,

AND

JAMIA HAMDARD (Deemed University), Hamdard Nagar, New Delhi-110062, through its Registrar (Hereinafter referred as 'JHU'), PARTY OF THE SECOND PART.

The expressions JMI and JHU shall wherever the context permits mean and include their respective successor, appointees, assignees, etc.

WHEREAS, the JMI is a Central University under an Act of Parliament of India (i.e. Jamia Millia Islamia Act. 1988) and is a body corporate with a perpetual succession and a common seal. It is a Minority Institution under Article 30(1) of the Constitution of India read with section 2(G) of the National Commission for Minority Educational institutions Act and also adjudged in category 'A' by NAAC. The employees, dependents and pensioners of JMI have their medical treatment in parity with CGHS.

AND WHEREAS, JHU a Deemed University is a Minority Institution under Article 30(1) of the Constitution of India. JHU has been adjudged in category 'A' by the National Assessment and Accreditation Council (NAAC) of India. Among various Faculties / Units, JHU has its own teaching Hospital (i.e. Hakeem Abdul Hameed Centenary Hospital) for treatment of indoor and outdoor patients. The basic aim of establishing this Hospital is to provide clinical training to the students studying in Hamdard Institute of Medical Science and Research (HIMSR), Faculty of Unani Medicine and Faculty of Nursing.

AND WHEREAS, the JMI desires to use the medical educational facilities available in the Hospital of JHU for its indoor Dental patients and clinical and bedside training of students of BDS & MDS and has made a request to JHU for allowing use of such medical facilities for JMI patients and students.

AND WHEREAS, for the purpose of synergistically combining the strengths of the two organizations for mutual interest in the field of medical facilities, JHU has agreed to allow JMI to use the available medical education and facilities as available in the Hospital for the Dental patients of JMI for their treatment in the Hospital (i.e. Hakeem Abdul Hameed Centenary Hospital) on the terms and conditions as agreed upon by and between the parties and set out hereunder. These facilities shall amongst others, include Operation Theatres, Post-Operative recovery, indoor wards, ICU facility, Lab investigation facilities, consumables and services of associated medical staff of JHU.

NOW THEREFORE, IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

1. That JHU shall admit and provide medical facilities to the indoor Dental patients referred by Faculty of Dentistry, JMI and shall collect the charges directly from the concerned patients as per CGHS rates. Furthermore, JHU will provide healthcare facilities to all employees of JMI who choose to avail such facilities in JHU. All such patients will also be charged at CGHS rates as applicable from time to time. Jamia Hamdard shall earmark at least ten beds at a given time in the Hospital.
2. The Dental patients referred by JMI shall be under overall supervision of the Doctors of Dental Faculty of JMI. JHU shall ensure that the best and timely medical facility, RMOs, Wards and Para Medical Services are extended to the patients for the treatment.
3. During the course of treatment, in case the Dental patients develop any medical complications other than dental problem, the Doctors of the JHU's Hospital will extend their medical services on payment basis to be charged to and collected from the patients as per CGHS rates.
4. During the treatment of patients, the investigations shall be done at the Hospital Labs. and the Hospital shall charge the amount as per CGHS rates.
5. In consultation with the Doctors of JMI, the patients may be referred for higher specialty treatment at any other specialist Hospital in Delhi, if the Hospital determines the patient suitable for such reference.
6. JMI and JHU shall indemnify and hold each other harmless from any damages that either one of them may suffer as a result of claims, demands, losses, costs, or judgments arising out of the acts or omissions of the other of them, its Faculty, its clinical instructors, employees or agents, in the performance of the treatment of the Dental patients. An informed consent to this effect shall be taken from patient/guardian/attendant prior to administering treatment.
7. JMI will not charge any amount towards their consultation, visiting, operations or treatment charges from the JMI patients admitted at the said JHU Hospital nor charge any amount in respect thereof to JHU.

8. The JHU and JMI shall maintain good communication between the two institutions through the Coordinators appointed by the JHU as well as JMI and to consult each other and confer on plans and problems related to JMI Patient Care. JMI and JHU shall both maintain one set each of relevant medico-legal records of JMI patients admitted at the said Hospital.
9. In consideration of above services provided to JMI, the Doctors of JMI will provide chairside teaching/training on Dental subjects to the MBBS students of JHU free of charge at JMI on reciprocal basis.
10. Nothing in this MOU and no action taken by the parties pursuant to this MOU shall constitute, or be deemed to constitute, a partnership between the parties or shall constitute either party as the agent, employee or representative of the other. Nothing in this MOU is meant to create, nor shall it be deemed to create, a joint venture between the parties hereto.
11. The tenure of the present MOU is for a period of five years commencing from 01.11.2015 to 31.10.2020 it may be extended further for a suitable period upon mutual written consent of both the parties. However, this MOU may be terminated by giving 60 days written notice in advance by either side, provided that the JMI patients who may by then have been admitted and are receiving treatment at the said Hospital shall be continued to be treated, despite the notice having been served or the period of notice elapsed till discharge after treatment.
12. This MOU may be amended by an instrument in writing signed by the parties hereto. No change or modification or waiver of any of the terms of this MOU shall be effective unless agreed to in writing and signed by duly authorized officer of each of the parties hereto. Neither party shall have any right or authority to incur any legally binding or other obligation on the part of the other party hereto.
13. In the event of any dispute, difference arising between the parties to this MOU for any reason whatsoever relating to this MOU whether during the subsistence/currency of this MOU or thereafter the parties will endeavor to amicably resolve the same but in case if dispute or differences still remain unresolved, the same shall be referred to a Sole Arbitrator appointed jointly by the Vice Chancellor of JHU and the Vice Chancellor of JMI by mutual consent. The decision of the Arbitrator shall be final and binding upon both the parties concerned. The jurisdiction shall be at Delhi Courts only.

14. JHU and JMI will also constitute a Monitoring Committee for the arrangements made under this MOU.
15. This MOU containing 05 pages each in two copies, each of which has the same authenticity. It shall be effective from the aforementioned date. In consideration of the mutual covenants contained herein above and the terms and conditions of this MOU and in witness whereof both parties have hereinto set their hand and seal on the day and year first above written.

Hi Seema and Sweta,

Thanks for accommodating our last minute request. Students are really excited to be part of MC. I am sharing the key activities (not limited to) we wish students to complete these by 15th July 2019. The students will reach your MC office Raja Bazar tomorrow around 11:00 itself.

The objectives and activities to be conducted are:

a) To observe and assess the following:

- I. physical infrastructure, facilities, and resources available in the centre
- II. planning of activities, the transaction of activities and the use of TLM
- III. quality of health and nutrition services provided for children and families
- IV. interaction with family and community

b) to conduct the following:

- I. Activities with children to promote their creativity, physical, cognitive, socio-emotional and language development.
- II. Interview with creche workers/supervisors order to understand the challenges faced by them
- III. Interviews with 2-3 families regarding the access and satisfaction of ECD services

In case you have any more thoughts around this, please do share with us.

Thanks

Best,

Subject: Regarding MA (ECD) students' Block placement

Hi Seema,

... you are doing well.

Following to our conversation, as you may know that currently, I am working at the Centre for Early Childhood Development & Research, Jamia Millia Islamia. As part of the two years Masters program which I teach in Early Childhood Development, our students are required to do a block placement as part of their curriculum which stands for independent credits.

They have been placed in the past with ICDS department of WCD, but this time we want them to learn and contribute more innovatively. Considering the kind of work Mobile Creches is doing, I would like to explore an opportunity if our 19 students or based on your requirement can do this 15 days internship between **27th June 2019 to 13th July 2019**. Having said that, the objectives of this placement not limited to- is to understand the organization's work, observe the activities happening, contribute in developing content or reviewing, etc. interact with the staff if possible. This placement is really valuable for them before they are exposed to the larger world.

I am would be really thankful and happy if our students can be associated with Mobile Creches this time.

Look forward to your thoughts around it. I can also call you if you have some time today/tomorrow to discuss this in detail so that as an organization Mobile Creches can benefit the expertise of these Masters students and can strengthen their learning.

Thanks & Regards,

TO WHOMSOEVER IT MAY CONCERN

July 26, 2018

This is to certify that Ms Sarah Khan, B Tech (Electronics & Communication), student of Anna Maria College, Anna Nagar, New Delhi, has successfully completed her internship with Phase Laboratories Pvt. Ltd. during the period of June 04 to July 19, 2018. In this time Sarah has worked on merging the codes for different Faculata Meter (FM) sensors (BME-280, CCS-811 and PMS7003) and printing the readings on the display to raspberry pi; STM32 microcontroller; Node MCU; extraction and display of data from I2C and I2C-I2C as the part of building of a compact air pollution monitor named T260.

During the entire course of internship we found Sarah to be very hardworking and extremely disciplined, she was present in the laboratory every day from 10:00 AM to 6:00 PM without even a single day miss. On several occasions she has voluntarily stayed beyond the working hours to help finish the work and meet the deadlines. She showed great amount of responsibility, sincerity and a genuine willingness to learn and allowed people to take up new & challenging assignments that were not from her area of expertise. Sarah enjoyed interacting with the other members of the laboratory and helped her colleagues generously. She also participated enthusiastically in our weekly meetings and presented her progress regularly to the group.

We wish her all the very best for her future endeavors.

With regards,

Sarita Ahlawat
