### Administration Related

**File Tracking System:** The FTS Sub Module of Administration enables the university users to create File entries for all documents which are to be despatched for administrative processing in the University. The system generates a unique File Tracking System Number (FTS No) and allows the user to track the file from anywhere on the University's Intranet.

Snap-1: An interface showing FTS System for entering File related data

File tracking system was initially developed and deployed in late 2009 and got **“BEST JURRY AWARD FOR ICT ENABLED HIGHER EDUCATION INSTITUTE OF THE YEAR”** for implementing **FILE TRACKING SYSTEM (FTS) @ WORLD EDUCATION SUMMIT 2011, 13-15 July 2011, New Delhi, India.**

**Project Consultancy Module:** To support the need of faculty members in managing Consultancy related data, Project Consultancy interface has been developed in MIS. This facility captures relevant data related to consultancy projects including type of project (like Individual/Departmental with or without lab facility etc.), consultancy charges, payment mode, consultancy contributors and amount distribution details, university's & consultant's share etc. Once the project and consultancy details are entered the system also generates a letter seeking approval approval.

The screenshot displays the 'Project Consultancy Master' form. The top section includes fields for Project ID, Project Title, Client's Name, Client Address, Client's PAN No, Project Type, Total Amt, Service Tax %, Total Tax Amt, Education Cess %, H.Education Cess%, Total Amt( Inc Tax), PDF Lead Consultant %, PDF Consultant A %, Expenditure, Brief Description, Start Date, Approval Date, and Project Status (Proposed). Below this is the 'Project Consultancy Payment Detail' section with a table for PCP AMT(Inc.Tax), BANK NAME, CHEQUE DD NO, and CHEQUE DATE, along with a 'Government Project' dropdown and a 'Print Letter for Approval' button. The 'Consultancy Distribution Detail' section has a table with columns for Employee Name, Employee Department, Consultant Type, Amount, and IT Ded %. The 'Other Distribution Detail' section has a table with columns for Employee Name, Employee Service Description, Amount, and IT Ded %. The interface also shows a menu bar with 'Masters', 'Transactions', 'Reports', and 'Quit', and a status bar at the bottom indicating 'Record: 1/1'.

### VICE-CHANCELLOR'S MESSAGE

*Jamia Millia Islamia came into existence in 1920 through the tireless efforts of its founders, such as Shaikhul Hind Maulana Mahmud Hasan, Maulana Muhammad Ali Jauhar, Hakim Ajmal Khan, Dr. Mukhtar Ahmad Ansari, Jenab Abdul Majeed Khwaja and Dr. Zakir Husain. It symbolizes the unflinching and resolute commitment of these great visionaries in bringing about socio-economic transformation of common masses, in general, and Muslims, in particular through the vehicle of education.*

### CONTROLLER OF EXAMINATION'S MESSAGE

*The Admission and Examination are the two faces of any University. It is our responsibility to keep both the processes efficient and transparent. The number of applicants to take admission is increasing exponentially every year. The new CBCS structure is opted by the University. These are welcoming signs and generates new challenge for office of the controller of examination. The University administration has started the automation of admission and Examination system to meet these welcoming challenges and to provide better connectivity with students and teachers with this effort.*
