Where to submit

All submissions to DELCON 2025 will be made **online** through the Microsoft Conference Management Toolkit (CMT).

How to submit

Authors will need to make a **CMT account** before they can submit a paper.

Here is a link to create the account:
https://cmt3.research.microsoft.com/docs/help/general/account-creation.html

Here is a guide for authors on how to submit a paper:
https://cmt3.research.microsoft.com/docs/help/author/author-submission-form.html

Instructions for Authors

1. **Manuscript Template**: Paper submissions **must be prepared using the IEEE Conference Templates**. The templates are available here:
   https://www.ieee.org/conferences/publishing/templates.html
2. **Manuscript File Type**: You may edit/format your manuscript using MS Word or LaTex but finally your submission through CMT **must be a PDF file**.
3. **Figures and Tables**: All the figures, tables, illustrations used in the manuscript must be appropriately captioned and must be cited in the text.

4. **References**: Manuscript should include a sufficient number of latest and contemporary references. Please format the references consistently in the IEEE style.
5. **Citations**: All the references must mandatorily be cited in the text of the manuscript in serial order.
6. **Referencing Tools**: Use of tools like Mendeley, Zotero etc. is highly recommended for inserting references in the paper.
7. **Length of the Camera Ready paper**: Length of the camera-ready paper should be in between 4-8 A-4 size pages, including figures, tables and references, having double column and single line spacing.

IEEE Conference Proceedings

All accepted & presented papers of the conference by duly registered authors will be submitted to IEEE Xplore for Publication. DELCON proceedings are indexed by SCOPUS and Google Scholar.
