

Activities Conducted by the Cyber Club, Jamia Millia Islamia.

During the reporting period, the Cyber Club, Jamia Millia Islamia, under the supervision of Prof. Neelofar Afzal, Dean Students' Welfare (also Advisor, Cyber Club, JMI) organised the following programmes aimed at strengthening cyber awareness, digital safety, and cybersecurity preparedness among students and faculty members.

1. Expert Lecture on Cyber Security

Date: 23rd July 2025

Venue: Faculty of Engineering & Technology Auditorium, JMI

Resource Person:

- **Mr. Devesh Chandra Srivastava**, Special Commissioner of Police (Crime Division), Delhi Police.

The Cyber Club organised a significant lecture on Cyber Security focusing on:

- Emerging cybercrime trends and real case studies handled by the Crime Branch
- Online financial frauds and preventive strategies
- Data privacy issues and safe digital practices for academic communities

The session witnessed active participation from students, research scholars, and faculty members, thereby creating enhanced cyber vigilance across the campus.
