An initiative was taken by the HoD to share responsibility of organizing the event with students of BHM (Bachelor of Hotel Management)- 7th Semester. This was also the part of learning event management for them under the guidance of faculty members; Mr. Yunus Khan and Mr. Mudassir Khan. Right from conceptualizing, planning, conducting and organizing the event, students actively participated in designing posters, looking after the registration, designing certificates, hosting, reporting, making guidelines etc. learning key dynamics of event management.

The core objective of the programme was to create awareness about cleanliness and managing plastic wastes as well as its negative impact on nature. Swachhta Pakhwada helped in connecting people with nature. The theme of the event was ‘Swachh Bharat’ emphasizing on the goal to make India a beautiful place to live in a friendly environment.

An online event was conducted on 13th September, 2021 to mark the conclusion of Swachhta Pakhwada where several activities were conducted and winners were declared for the competitions of slogan writing and poster making. These activities were themed around the

importance of cleanliness and hygiene. The competition saw participation of students from various Departments, Centers and Faculties of the University. Top five participants were invited to speak on their work.

Poster Making Competition

To bring out the creative expression of the students and also to gauge their awareness quotient, poster writing competition was conducted on the theme “**Waste Management**”. Students of different courses from JMI enrolled and displayed their artistic skills through an array of posters on the given theme. The principle objective of event was to enhance students’ knowledge with their creative streak and express their ideas using the colours of imagination.

It was an interesting session for the students as they participated in the competition with great enthusiasm and zeal. All participants got enlightened by the team activities and other activities carried out during the celebration of “Swachhta Pakhwada”. With all the submission, it was finished with a great message that cleanliness not only requires just to make our surroundings aesthetic but to keep ourselves safe from all harms that can be caused due to lack of cleanliness in and around.
