About Jamia Millia Islamia, New Delhi

Jamia Millia Islamia, an institution originally established at Aligarh in United Provinces, India in 1920 became a Central University by an act of the Parliament of India in 1988. *Jamia Millia* means National University. The story of Jamia’s growth from a small institution in the pre-independence India to a central university located in New Delhi—offering integrated education from nursery to research in specialized areas—is a saga of dedication, conviction and vision of people who worked against all odds and saw it growing step by step. The Department of Psychology came into existence in 1986 and flourished under the leadership of its founder Head of the Department Prof. M. G. Husain. Like Jamia Millia Islamia the Department of Psychology too passed through bumpy ways and started offering different courses as B.A., Ph. D., B. A. Hons. and M. A. Now it also offers Post Graduate Diploma Course in Counseling Psychology.

About the Indian Academy of Applied Psychology

The Indian Academy of Applied Psychology (IAAP), established in 1962 is a nationally registered body with over 1050 life members. It is the only forum in India, which offers a common platform to the working and practicing psychologists of all specializations to meet and discuss the developments in their respective fields. The academy regularly publishes its Journal, the Journal of the Indian Academy of Applied Psychology (JIAAP) and IAAP – News Bulletin.

Since its inception the IAAP remained active in promoting its objectives like promoting research in the field of Psychology and allied disciplines, organizing regional, national and international Seminars and Conferences, encouraging interaction among scholars in the field of Psychology and other disciplines and extends co-operation with academic, professional and other bodies in the advancement of psychology and other sciences. It also undertakes research projects in the field of psychology. In fact right from its inception in 1962, the Association is serving the Indian society through various professional activities.
