International Conference on Dynamical Systems and Numerical Methods (Online)  
(ICDSNM-22)  
May 20-21, 2022  
Department of Mathematics, Jamia Millia Islamia, New Delhi-110 025, India

**About the University**

Jamia Millia Islamia was established at Aligarh in 1920 and moved to Delhi in 1925. It became a deemed university in 1962 and got the status of central university in 1988. Jamia has got NAAC accreditation with grade A++. The MHRD’s National Institutional Ranking Framework (NIRF) placed it at the 6th position in the University category and 13th position in the overall ranking for 2021. The university has 9 faculties, 43 Departments, 30 research centres and offers 234 courses in various disciplines from nursery to Ph.D.

**About the Department**

The Department of Mathematics, Jamia Millia Islamia was established in 1971. Currently the Department offers two UG and two PG level courses namely, M.Sc. Mathematics with Computer Science, and M.Sc. Mathematics. The faculty members are actively involved in research areas related to Dynamical Systems, Numerical Analysis, Algebra, Functional Analysis, Differential Geometry, Approximation Theory, Fracture Mechanics, Wavelet Analysis, Data Mining and Information Security. The Department has produced a number of Ph. D’s and published a number of research papers in the journals of national and international repute. A research journal “JMI International Journal of Mathematical Sciences” is being published by the Department to publish papers in Mathematics, Statistics, and other areas of Mathematical Sciences.

**Objective of the Conference**

The main objective of this conference is to bring together senior and young researchers working in the areas of Dynamical Systems and Numerical Methods to exchange new ideas.

**Topics to be Covered**

All areas related to Dynamical Systems and Numerical Methods with their applications.

**Call for Papers**

Original, unpublished papers are invited for presentation in the conference. The presented papers may have the opportunity for publication after peer review in conference proceeding (Proposal submitted). The selected and peer reviewed papers may also be considered for publication in JMI International Journal of Mathematical Sciences and other journals.

**Programme**

The academic sessions will consist of plenary lectures, invited talks by eminent Mathematicians and contributed papers by young researchers in various technical sessions.

- **Plenary Speakers**: 35 minutes
- **Invited Speakers**: 25 minutes
- **Paper Presentation (Parallel sessions)**: 10 minutes

**Registration Fee**

The registration fee has to be paid online as per details given below. The registration form (downloaded from our website) along with fee details may kindly be sent by email to the Convener by May 16, 2022.

- **Foreign delegates**: US $ 30
- **Faculty members**: Rs. 500
- **Research Scholars**: Rs. 300

**Account details for fee submission:**
