Prof. Abdul Mubeen

PROF ABDUL MUBEEN: Prof. Abdul Mubeen, Graduated in Mechanical Engineering from Jabalpur University in 1964, completed his M. Tech from IIT Bombay in 1967. He obtained Ph D from IIT Kanpur in 1974. He started teaching at MACT Bhopal and also taught at IIT Bombay & Michigan Technological University USA for 3 years and finally joined Jamia Millia Islamia in 1985. He served as HOD Mechanical Engg. and also as Dean, Faculty of Engg. JMI. He started B.E Courses in the Faculty of Engg & Technology. He shouldered the responsibility of Construction of Faculty Building during VII Plan period.

Prof. Mubeen conducted researches, supervised 6 Ph D theses, 40 M. Tech. Dissertations and published more than 100 papers in National and International Conferences and Journals. He authored 12 Books. He coordinated several Projects funded by MHRD and AICTE in the Department of Mechanical Engineering. Above all Prof Mubeen was a Good Human being and a Good Teacher.

Prof Furqan Qamar is currently serving as Secretary General, Association of Indian Universities. Prof Qamar held the positions of Advisor (Education) in the Planning Commission of India, Vice Chancellor of the Rajasthan University, Jaipur and the first & founder Vice Chancellor of the Central University of Himachal Pradesh at Dharamshala. Dr. Qamar has obviously left distinctive and indelible footprint to whatever position he has so far held and has earned accolades from eminent academicians. He obtained his Ph.D. (1989) from the University of Lucknow after completing Masters Degree (1981) in first Division and first Position. He obtained his Bachelors degree (1979) from the Lucknow Christian Degree College of the University of Lucknow in first Division and first position in the college and fourth position in the University.

Essentially a Professor of Management, he has keen research interest in public policy, planning, administration and financing of higher education and has numerous publications in journals of repute to his credit. He authored two Books, three Monographs and many Research Papers and numerous articles and book reviews in refereed journals, Journal of Higher Education, Journal of Educational Planning & Administration. Prof. Qamar has chaired and been members of a large number of committees, working groups at the national and international level. Dr. Qamar, thus, brings with him academic eminence, leadership qualities and exposure to best global practices.

Besides his leadership qualities, administrative acumen and ideational thinking, he has the remarkable ability to articulate ideas based on his understanding of the issues involved in the discussion and these are invariably supported by facts and figures. Most importantly, he has the ability to translate ideas into action with total commitment and dedication and more importantly, he is able to take all stakeholders along.
