

# Two Week Research Methodology Workshop on “Econometric Techniques: Theory and Applications”

Organized by  
Department of Economics, Jamia Millia Islamia, New Delhi  
( 20<sup>th</sup> Feb. – 4<sup>th</sup> March, 2017)

## About Workshop

The workshop is designed to impart the knowledge of research methods and econometric techniques to the young researchers. The main aim of this workshop is to introduce applied econometrics and statistics such as descriptive statistics, correlations, regression analysis, co-integration, VAR, VECM, Panel Data Analysis, factor analysis, and other methods relevant for economic research and allied fields. The approach is problem based, i.e. participants will be made familiar with the theory and software using well known examples from applied issues in economics and other allied fields. The course is based on the theoretical lectures and practical exercises in Eviews/STATA.

## Eligibility Criteria

The number of seats is 30. Faculty members and Ph.D students of economics/commerce/management or any allied subjects are eligible to apply. Interested Ph.D students, researchers and young faculty members should apply with complete bio-data along with statement of purpose to Dr. Saba Ismail, Organising Secretary and Coordinator, Computer Application Programme, Department of Economics, JMI by 05<sup>th</sup> February, 2017 via Email: [sismail@jmi.ac.in](mailto:sismail@jmi.ac.in).

## Venue:

Department of Economics, Jamia Millia Islamia, New Delhi-110025

## Registration Fees:
