

**Two Week Research Methodology Workshop
on
'Econometric Techniques: Theory and Applications'**

To be organized by
Department of Economics, Jamia Millia Islamia, New Delhi
(Dates: 2-13 January, 2018)

About Workshop:

There is a need to test the new emerging economic dynamics by using econometric techniques in appropriate manner to infer valid conclusions. The workshop is designed to impart the participants with knowledge of research methods and econometric techniques to the young researchers. The main aim of this workshop is to introduce applied econometrics and statistics such as regression analysis, Causality test, co-integration, VAR, VECM, and other methods relevant for economic research and allied fields, etc. The participants will be made familiar with the theory and software using well known examples from applied issues in economics and other allied fields. The course is based on theoretical lectures and practical exercises in Eviews/STATA.

Eligibility Criteria:

The number of seats is 40. Faculty members and Ph.D students of economics/commerce/management or any allied subjects are eligible to apply. Interested Ph.D students and faculty members should apply with complete bio-data along with statement of purpose to Dr. Saba Ismail, (Organising Secretary of the Workshop) by 15th December, 2017 via Email: sismail@jmi.ac.in and copy to Prof. Shahid Ahmed, Head, Department of Economics, JMI via Email: sahmed@jmi.ac.in
