

DEPARTMENT OF BIOTECHNOLOGY
JAMIA MILLIA ISLAMIA
NEW DELHI-110025

Annexure I

List of candidate provisionally selected for Admission to Ph.D. In Biotechnology for the session 2017-2018

Roll No	Name of candidate	Topic	Name of Supervisor	Category
P5369004	Shankar Chanchal	Role of Connexin in Secondary cancer and its relevance as a therapeutic target	Professor Mohammad Zahid Ashraf, Department of Biotechnology, JMI	General
P5369054	Raishal Safdar	Study of the activation of STAT-3 pathway and its inhibition through blockage of JAK/STAT pathway in Hepatocellular Carcinoma	Professor Mohammad Zahid Ashraf, Department of Biotechnology, JMI	General
P5369060	Azhar Ahmad	Protein misfolding and degenerative disease	Professor Mohammad Mahfuzul Haque, Department of Biotechnology, JMI	Muslim
P5369030	Zainab Mirza	ROLE OF miRNA IN PLANTS FOR ABIOTIC STRESSES TOLERANCE	Professor Mohammad Mahfuzul Haque, Department of Biotechnology, JMI	Muslim Women

Mahfuzul Haque
08/12/17

Dr. Mohammad Mahfuzul Haque
Professor & Head
Department of Biotechnology
Jamia Millia Islamia
New Delhi-110025

			Co-Supervisor :Dr. Meetu Gupta, Department of Biotechnology, JMI	
R5369004	Sunil Kumar	Effect of arsenic on the isoprenoid-pathway in crop plants	Dr. Meetu Gupta, Department of Biotechnology, JMI	General
P5369016	Sanchi Goel	"Identification and Evaluation of Matrix Metallo Proteinases (MMPs) Gene Polymorphism in the Development of Ovarian Cancer"	Dr. Kapil Dev, Department of Biotechnology, JMI	General
P5369051	Sageer Abbas	"Purification, characterization and crystallization of Protein Protease Inhibitor (PPI) from Plant sources"	Dr. Sadaf Fatima, Department of Biotechnology, JMI	Muslim
R5369003	Shaheda Parveen	Purification, characterization and crystallization of proteases from plant sources	Dr. Sadaf Fatima, Department of Biotechnology, JMI	Muslim OBC/ST
R5369006	Mohammad Irfan Dar	Effect of cyclodextrin nanoparticles on protein aggregation	Dr. Sadaf Fatima, Department of Biotechnology, JMI	General

Mahfuzul Haque 08/12/17

(Dr. Mohammad Mahfuzul Haque)

Professor & Head

Dr. Mohammad Mahfuzul Haque
