## New Year Message from the Vice Chancellor

Dear students, members of teaching and non-teaching staff and Jamia Alumni

I am delighted to extend to you my warm greetings of New Year, 2023. We know that the year 2022 has yet again been an eminently successful year. It has become a crucial landmark in the history of Jamia Millia Islamia, for the University covered real milestones, won outstanding laurels and scaled unprecedented heights. It has made prominent strides in 2022, including its NIRF Rankings where it figures among top three Universities of India, NACC Accredited A++ Grade (2021), All India Rank 1 in UPSC, students' spectacular performance, teachers' winning prestigious Visitor Award and JCB Award and so on. The University's exponential growth demands us to look to our laurels and stay abreast with the changing trends in education and researches.

The students of newly established Departments in emergent areas like Hospital Management and Hospice Studies are going to pass out in the year 2023. They are almost ready to render their services as energetic, competent and dedicated professionals. Dear students, you are sure to win glorious distinctions in every walk of life by virtue of your youthful exuberance, discipline of hard work and positivity of mind. Do keep representing ideals and values of Jamia. I wish you all a very successful career ahead.

With remarkable World Rankings and International Collaborations, Jamia is vigorously pursuing internationalization of Indian education in keeping with the National Education Policy. We must contribute our dedicated share towards Jamia's expansion and consolidation, enabling our campus to radiate peace, discipline, optimistic and progressive outlook. Let this celebration be the celebration of success, positivity and emotional and mental cohesion. Wishing you all health, joy, happiness and a resounding success in days ahead. May Jamia Millia Islamia, along with its entire fraternity, always walk on the road to greater and greater success and glory!
