MESSAGE

Dear Colleagues,

21st September, 2020

Part of my career has been for the promotion of the colleagues, enabling them to receive honours, awards and recognitions. As the Vice Chancellor of Jamia Millia Islamia, I am familiar with the enormous potential and mettle of the students and the faculty members. It has happened for the first time in the history of JMI that it made spectacular performance in NIRF rankings, and now figures among top ten universities. Recently, JMI won laurels by achieving the targets for performance evaluation set by Ministry of Education – it secured highest scores among all Central Universities. These achievements owe to its teachers, researchers and students. The credit also goes to each one of you for your individual contributions.

I wish to see you all grow and progress, and receive honours, awards and recognition for your notable achievements. With this letter, I would like to advise you all to keep applying for National and International awards conferred by reputed organizations/agencies, and also for memberships of various academies. My office will extend full support in nominating you for the honours and awards. I would also advise Dean, Directors and Heads to promote their faculty members for such activities.

Looking forward to seeing you as recipients of honours and awards,

With best wishes,

(Prof. Najma Akhtar)
