(A Central University)  
**Department of Biosciences**  
Faculty of Life Sciences,  
New Delhi-110025

Dated: 18/03/2026

**Applications are invited for the following post**

Applications are invited from Indian citizens for the following post under ICMR-funded research project entitled “*Development of BET Inhibitors Targeting Epigenetic Biomarkers in TNBC: An In-Silico Guided In Vitro and Preclinical Validation*” under Prof. Nida Jamil Khan, Department of Biosciences, Jamia Millia Islamia, New Delhi. Duration of the project is two years.

Position name	Number	Emolument	Qualification
Project Research Scientist-II (Non-Medical)	1 (One)	Rs. 67000 + 30%HRA (Consolidated)	<b>Essential Qualification:</b> Post Graduate Degree, including the integrated PG degrees in Biosciences/Life Sciences/Bioinformatics with three years post qualification experience or Ph.D. <b>Desirable:</b> Strong background in Linux-based computational environments, multi-omics data integration and analysis, molecular docking and molecular dynamics simulations. Experience in in vitro experimental techniques and in vivo tumor models.

**General Terms and Conditions:**

- The candidate's age, as on the last date of application submission, should not exceed 40 years.
- **Interested candidates: please submit a cover letter and latest CV to [nj Khan@jmi.ac.in](mailto:njkhan@jmi.ac.in).**
- The date for submission of applications is **from 19<sup>th</sup> March 2026 to 03<sup>rd</sup> April 2026** up to 5:00 PM.
- Only shortlisted candidates will be communicated through e-mail to appear for the interview.
- No TA/DA will be provided for attending the interview.
- Candidates must bring all original documents at the time of the interview.
- The decision of the competent authority regarding the selection of candidates shall be final and binding.

**Principal Investigator**

**Prof. Nida Jamil Khan**

Department of Biosciences
