

Senior Research Fellowship Vacancy in the ICMR Funded Research Project

Vacancy: Senior Research Fellowship (SRF)

Duration: 2021-2024

Funding Agency: **ICMR**

Project Title: *Structure-based Design and Development of Selective Sphingosine Kinase 1 Inhibitors to Combat Idiopathic Pulmonary Fibrosis*

Project Description: Interested candidates are welcome to apply for SRF for a comprehensive drug discovery project aimed to design and development of small-molecule inhibitors of human kinases for anticancer therapy. The successful candidate will be involved in the designing and development of small molecule inhibitors to potentially target Sphingosine Kinase 1 Inhibitors. The duties will include the design and synthesis of new analogs of existing leads to develop biologically active compounds for testing in cancer cells lines and animal models. Applicant with expertise in Molecular Biology/Cell Biology/Structural Biology/Bioinformatics and good command in oral and written communication skills in English will be given preference. For more details you may visit web page of the lab: <https://hassanlab.org>

Essential Qualification: M. Sc. in any stream of Biological Science with at least 55% marks and Two Years of research experience. Preference will be given to NET/GATE qualifiers.

Candidates having experience in the area of Molecular Biology/Cell Biology/Structural Biology/Bioinformatics will be given preference.

How to apply: Please submit a cover letter, attached application form, CV, and supporting documents combined into a single PDF file and also fill the attached form and send by e-mail to hassanlab@jmi.ac.in before August 31, 2021.
