

**Vacancy of one Senior Research Fellow (Unani Medicine) in the
CCRUM Funded Research Project**

Post: Senior Research Fellowship (Unani Medicine)

Vacancy: 1

Duration: 1 year

Funding Agency: CCRUM, Ministry of AYUSH

Project Title: *Targeting Alzheimer's disease by a mixture of Unani plant extract via modulation of human kinase.*

Project Description: Interested candidates are welcome to apply for SRF for a comprehensive drug discovery project aimed at discovering potential kinase inhibitors from Unani medicine. A strong connection exists between phosphorylation and tau pathology has laid the foundation to hunt for tau kinase inhibitors as potential therapeutics. We believe that one of the most promising kinases that should be targeted is those that initiate the tau phosphorylation cascade. In this project, we aimed to identify potent kinase inhibitors in the extract of a mixture of Unani medicine plant extract. The selected mixture of the extract will be further tested to determine how efficiently it could attenuate hyper-phosphorylation of tau, and thus clear the tau-mediated aggregates indifferent neuronal human cell lines. Our integrated approach will be key in identifying novel kinase inhibitors for the therapeutic management of MARK4-related tauopathies, Alzheimer's disease, and neuroinflammation.

Essential Qualification (Unani Medicine): Applicants with postgraduate in Unani Medicine and a good command of oral and written communication skills in English will be given preference.

MD in Unani Medicine or BUMS from a recognized Statutory Board/ University included in the 2nd schedule of the CCIM Act 1970 with two years of experience as JRF/equivalent post in any project.

How to apply: Please submit a cover letter, attached application form, CV, and supporting documents combined into a single PDF file and also fill the attached form and send it by e-mail to hassanlab@jmi.ac.in before January 20, 2024.

Principal Investigator

Md. Imtiyaz Hassan, Ph.D., FRSB, FRSC.

Centre for Interdisciplinary Research in Basic Sciences

Jamia Millia Islamia, Jamia Nagar

New Delhi 110025, INDIA

E-mail: mihassan@jmi.ac.in

General Instructions:

- Incomplete forms will not be accepted.
- Guidelines for funding agencies to recruit manpower will be applicable.
- Only shortlisted candidates will be communicated to appear for the interview.
- Original certificates need to be presented before the interview for verification.
- Interviews may be conducted through online mode.
