

**Multidisciplinary Centre for Advanced Research & Studies
Jamia Millia Islamia, New Delhi**

Project Junior Research Fellowship (JRF) Position (Total post-01)

Advertisement Date: Feb 08, 2023

Applications are invited for the post of **JRF** in DBT funded project under Dr. Tanveer Ahmad.

Project entitled: *“Development of genetically engineered and off-the-shelf and inducible CART cells for cancer”*.

Educational Qualifications: MSc (in any area of **Life-sciences**) preferably in ***Molecular Biology and Clinical immunology*** with a minimum of **55 % aggregate marks** (equivalent CGPA). A prior research experience in **clinical protocol development** are desirable. Candidates with a minimum of two years research experience post masters and/or **NET/GATE/CSIR/UGC/ DBT/ICMR JRF/DST INSPIRE-PhD fellowship** should apply.

Fellowship: - As per **The DBT** guidelines

Duration: The appointment will be purely on temporary basis for first year initially which can be further extended based on the performance of the candidate. However, the duration of JRF is co-terminus with the duration of the Project and will have no financial liability beyond duration of the project.

Note: No TA/DA will be paid to candidates appearing for the interview.

How to Apply: A cover letter (maximum one page-explaining about yourself and interest in the research project) along with your detailed CV should be emailed at tahmadlab@gmail.com by **Feb. 18, 2023**.

Date of Interview: - For shortlisted candidates, the interview will be announced separately.

Dr. Tanveer Ahmad
