Advertisement for a JRF Position in a SERB Project

Applications are invited from highly motivated and eligible candidates for a Junior Research Fellow (JRF) position in a SERB funded research project titled, “Accelerated Universe and the Current Issues in Cosmology” under the supervision of Dr. Md. Wali Hossain.

Number of Positions: One (JRF)

Project Duration: Two years

Fellowship: 31,000/- + HRA (As per SERB-DST norms)

Duration of the Position: The position is purely temporary and initial it will be for one year which is extendable up to the duration of the project based on satisfactory performance.

Essential Qualifications: M.Sc. in Physics and other relevant subjects with minimum 55% or equivalent CGPA from recognized Universities/Institutes. The candidate should have qualified CSIR/UGC-NET, GATE or similar other national level exams in Physics or Physical Sciences and should be 28 years of age or less on the last date of application, with relaxation to SC/ST/OBC candidates as per Government of India norms.

Desirable Qualifications: Knowledge of computer programming and basic understanding of general theory of relativity (GTR) and cosmology.

How to Apply: Interested candidates are encouraged to send their detailed CV/Resume through email to Dr. Md. Wali Hossain at mhossain@jmi.ac.in with the subject line “**JRF Position in the SERB Project**” on or before **20th November, 2022**.

Date of Interview: Will be notified to the shortlisted candidates by email.

Mode of Interview: Online

Note: No TA/DA will be given to the candidates appearing for the interview.

Dr. Md. Wali Hossain
PI of the Project
