EDUCATIONAL QUALIFICATIONS

1. **Doctorate Degree** from the Disarmament Division, Centre for International Politics, Organization and Disarmament (CIPOD), School of International Studies, Jawaharlal Nehru University, New Delhi in 2007, Jawaharlal Nehru University, New Delhi.
Topic of Ph.D Thesis: “Evolution of India’s Nuclear Doctrine: A Study of Political, Economic and Technological Dimensions”
The thesis traces evolution of India's indigenous nuclear weapons programme since the 1940s when it appealed for universal disarmament at every international forum. The thesis reflects on the various political challenges India faced on domestic and international fronts before it finally decided to cross the nuclear rubicon in 1998 in face of serious security threats posed by China and Pakistan. The work deeply delves into the economic challenges of India while developing its nuclear capability. It has rigorously analysed the nuclear doctrine including the no-first-use policy, credible minimum deterrence and technological prowess of India's nuclear capability.
2. **M.Phil** from the Disarmament Division, CIPOD, School of International Studies, Jawaharlal Nehru University, New Delhi in 2002
Title of M.Phil Dissertation: “The Rationale of India’s Nuclear Deterrent”
3. **UGC-NET** (Political Science) in June 2002.
