

Dr. Taufeeque Ahmad Siddiqui

Associate Professor (Finance)

Office: Department of Management Studies, Faculty of Management Studies, Jamia Millia Islamia, New Delhi- 110025

Residence: B-07, Mujeeb Bagh, Jamia Millia Islamia, New Delhi- 110025

Office Phone: 01126985519

Mobile: +919719667004

Email: taufeeque@gmail.com, tsiddiqui1@jmi.ac.in

Teaching Experience

- Associate Professor (Finance) at Department of Management Studies, Jamia Millia Islamia, New Delhi, from April 22, 2022 till date
- Assistant Professor (Finance) at Centre for Management Studies, Jamia Millia Islamia, New Delhi, from April 22, 2010 to April 21, 2022

Academic Qualification

- Ph.D. from AMU, Aligarh in 2009
- M.Com. in finance from AMU, Aligarh in 2004
- B.Com. from AMU, Aligarh in 2002
- Senior Secondary School Certificate from AMU, Aligarh in 1999
- Secondary School Certificate from CBSE in 1997
- Qualified NET in June 2006 and December 2006, UGC
- Certificate in "E-Governance" from Asian Development Bank Institute, Tokyo, Japan in November 2007

Ph.D. Topic

- A study on pattern and trends in venture capital financing in India since liberalization

Subjects Taught:

- Behavioral Finance, International Financial Management, Accounting for Managerial Decision Making, Financial Modeling, Security Analysis and Portfolio Management, Financial Engineering etc.

Research Project (completed)

- Modeling Spill Over Effect of Financial Inclusion on Telecommunication in India, funded by Idea Telecom Centers of Excellence, Indian Institute of Management(IIM), Ahmadabad

Ph.D. Guidance (Awarded)

1. Mazia Fatima Khan: Volatility Spillovers and Contagion from Matured to Emerging Stock Markets.
2. Zahoor Ahmad Mir: Modeling volatility and evaluating impact of domestic and global factors on the performance of Indian stock market.
3. Kashif Iqbal Siddiqui: Modeling Relationship between Financial and Social Inclusion.
4. Yusuf Abdullah: Predicting stock returns and assessing model variations: Study of select NSE Indices.
5. Isha Narula: EMH and Behavior Finance: Test to evaluate weak form of Indian Stock Market.
6. M. K. Ummer Farooque: Viability of Islamic Finance in India with special reference to Kerala.
7. Isha Wadhwa: Impact of extreme events on integration and diversification: study of select world indices.

Ph.D. Guidance (Ongoing)

8. Haseen Ahmed: Dynamic Linkages among Select Financial variables: An Analysis of Major Oil Importing and Exproting countries.
9. Mohammad Musavvir: ESG Indices
10. Dattar Singh: FDI
11. Mohd Raagib Shakeel: Application of Machine learning techniques in Financial Market

Conferences/Seminars (Papers Presented/Invited Talks Delivered)

1. Dynamic Linkages between Oil Prices, Exchange Rates, and Stock Prices: Evidence from High-Frequency Data, Third Annual International Capital Markets Conference, December 15-16, 2022, National Institute of Securities and Market Mumbai with Systematic Risk Centre, London School of Economics and Political Science
2. Mena Sukuk Price Prediction Modelling using Prophet Algorithm, International conference on Recent Advances in Computer Science and Engineering (ICRACSE-2022), November 26-27, 2022, Department of Electronics and Communication Engineering, Shri Vishnu Engineering College for Women (Autonomous), Bhimavaram, Andhra Pradesh, India
3. Feature Selection in Corporate Bankruptcy Prediction using ML Techniques: A Systematic Literature Review, 7th International Conference on Micro-Electronics, Electromagnetics and Telecommunications (ICMEET 2022), July 22 - 23, 2022, Department of Computer Engineering, Jamia Millia Islamia, New Delhi, India
4. Probing co-integration and Co-movement: Evidence from ESG indices of NSE, 3rd International Finance Conference, March 29-30, 2022, Centre for Management Studies, Jamia Millia Islamia, New Delhi
5. PMC Bank Fiasco: A Management Case on Business Policy and Corporate Governance, 3rd International Finance Conference, March 29-30, 2022, Centre for Management Studies, Jamia Millia Islamia, New Delhi
6. The Dynamic Co-integration Relationship between Crude Oil Prices, Stock Market and Exchange Rate in India, 3rd International Finance Conference, March 29-30, 2022, Centre for Management Studies, Jamia Millia Islamia, New Delhi
7. Impact of Oil Prices on Exchange Rate and Inflation in India: A Policy Perspective, International Management Conference, May 21-24, 2021, Centre for Management Studies, Jamia Millia Islamia, New Delhi
8. Contagion from Developed Economies to Emerging Asian Economies Following Corona Pandemic, International Management Conference, May 21-24, 2021, Centre for Management Studies, Jamia Millia Islamia, New Delhi
9. Impact of Financial Inclusion on Social Inclusion in India: A Higher-order PLS-SEM Analysis, International Management Conference, May 21 - 24, 2021, Centre for Management Studies, Jamia Millia Islamia, New Delhi

10. Association between Exchange rate, Stock Market and Crude Oil Prices During Covid-19 Crisis: A Copula GARCH Based Study of Select Oil Dependent Emerging Economies, International conference on business management, March 23, 2021, Skyline University, Sharjah UAE
11. Cross Market Correlations and Financial Contagion from Developed to Emerging Economies : A Case of Corona Pandemic, International conference on business management, March 23, 2021, Skyline University, Sharjah UAE
12. Surmounting COVID-19: A Case of an Indian IT Company, International conference on business management, March 23, 2021, Skyline University, Sharjah UAE
13. Relationship between oil prices and stock markets of select emerging economies: A Copula GARCH based study, International Conference on Contemporary Business Trends, January 16, 2021, NIT Srinagar
14. Financial and Social Inclusion: A PLS-SEM Approach, International Conference on Contemporary Business Trends 2021, January 16 - 17, 2021, National Institute of Technology, Srinagar
15. Relationship between oil prices and exchange rate: ARDL based Cointegration Analysis, PAN IIM World Management Conference, December 12-14, 2019, IIM Rohtak
16. Financial Inclusion in SAARC Countries: An individuals' Characteristics Analysis, 10th Conference on Excellence in Research and Education, May 03 – 05, 2019, Indian Institute of Management, Indore
17. Analyzing Spillovers in International Stock Markets: A Multivariate GARCH approach 10th, Conference on Excellence in Research and Education, May 03 – 05, 2019, Indian Institute of Management, Indore
18. Examining Causal Relationship between Financial Inclusion and Telecommunication with Special Reference to Kerala and Bihar using SEM, 6th International conference on Empirical Issues in International Trade & Finance, December 13 – 14, 2018, Indian Institute of Foreign Trade, New Delhi
19. Education and Financial Literacy: Catalysts for Adopting Financial Services, International Conference on Financial Inclusion & Inclusive Growth, November 24 – 25, 2018 University Department of Commerce & Business Management, Ranchi University, Ranchi

20. Probing Association between Telecom and Financial Inclusion: A Study of Select Villages of Bihar, 3rd International conference on Financial Markets & Corporate Finance, July 12 – 14, 2018, Indian Institute of Technology, Kanpur
21. Examining Status of Financial Inclusion Using Structural Equation Modeling (SEM) with Special Reference to Kerala, National conference on transforming nation through: CSR, Financial Inclusion, Empowerment and Digitalization, March 14 – 15, 2018, Vivekananda Institute of Professional Studies, New Delhi
22. Nexus between Financial Inclusion and Telecommunication: A Structural Equation Modelling Analysis with Special Reference to J & K, 2nd International Business and Finance Conference, February 21, 2018, Centre for Management Studies, Jamia Millia Islamia, New Delhi
23. Spillovers in International Stock Markets: A Multivariate GARCH Approach, 2nd International Business and Finance Conference, February 21, 2018, Centre for Management Studies, Jamia Millia Islamia, New Delhi
24. Assessing Predictive Power of Macroeconomic Variables for Stock Prices: Artificial Neural Networks Approach in Indian Context, 2nd International Business and Finance Conference, February 21, 2018, Centre for Management Studies, Jamia Millia Islamia, New Delhi
25. Appraising Effect of Telecom Technology on Financial Inclusion in select villages of Bihar using Structural Equation Modeling, International Conference on Emerging Trends in Engineering, Innovation, Technology and Management, December 16 – 18, 2017, Department of Electrical Engineering, National Institute of Technology, Hamirpur
26. Determining Effect of Telecom Services on Financial Inclusion in Haryana using SEM, International Conference on Research and Business Sustainability, December 16 – 17, 2017, Department of Management Studies, IIT Roorkee
27. Determining Leverage Effect in Transition Economies: A Crisis Perspective, International Conference on Research and Business Sustainability, December 16 – 17, 2017, Department of Management Studies, IIT Roorkee
28. Linkage between Community and Financial Inclusion in Select villages of Bihar, Second International Finance Conference, October 11, 2017, Centre for Management Studies, Jamia Millia Islamia, New Delhi

29. Modelling Volatility in Emerging Economies: A Study of BRICS Stock Market, Second International Finance Conference, October 11, 2017, Centre for Management Studies, Jamia Millia Islamia, New Delhi
30. Exploring linkages between Telecom and Financial Inclusion: An Innovative Strategy for Success, International Conference on strategies in Volatile and Uncertain Environment for Emerging Markets, July 14 – 15, 2017, Department of Management Studies, IIT Delhi.
31. Volatility Estimation in Emerging Markets: A study of India's and China's Stock Markets, International Conference on strategies in Volatile and Uncertain Environment for Emerging Markets, July 14 – 15, 2017, Department of Management Studies, IIT Delhi
32. Testing for Predictive ability of Conventional and Shariah Indices of Selected Gulf Countries and Economic Regions Using Neural Network Modelling, 7th International Conference on Excellence in Research and Education, May 5-8, 2016, IIM Indore
33. Behavioural Biases and Weak Form Inefficiency of Indian Stock Market: Evidences' from CNS Nifty, Role of Behavioural Finance in Indian Financial Management, March 30, 2016, Satyawati College, University of Delhi, New Delhi
34. New Born Healthcare Management in India: A Study of Muzaffarnagar District of Uttar Pradesh, National Conference on Business and Public Policy Focus on Uttar Pradesh, March 18, 19, 2016, Integral University, Lucknow.
