## ABOUT JAMIA MILLIA ISLAMIA

Jamia Millia Islamia was conceived by its founding fathers as a national institution that would enable students from all communities, from all walks of life to acquire a progressive and nationalistic education. Today, the university, which celebrated its centenary in 2020, is a world renowned central university with A++ accreditation from NAAC and NIRF rank 3rd in universities category and 12th in the 'overall' category. Jamia Millia Islamia boasts of a multilayered educational system which starts with primary school, and extends through under-graduate, post-graduate, M.Phil./ Ph.D. and post-doctoral education. With 10 faculties of learning, 38 teaching and research departments and over 27 centres of learning and research, the university attracts the students from all over the country. Currently there are 25000+ students and research scholars enrolled in the university. Robust pedagogy, excellent infrastructure, research friendly environment combine to make the university a centre for holistic learning for its students. The campus of Jamia is spread over a large area housing different faculties that provide an excellent learning environment for the students to include departments having state-of-art architecture and infrastructure along with sprawling green open areas. It has also installed 2250 kilowatt solar panels on the campus to join the green campaign and has become environment friendly. It has various facilities for benefit of students and teachers including a well-equipped sports complex, and a central library having more than 6 lakh books, and about 1.43 lakh subject-specific books, besides having access to multiple e-learning resources like journal, books, and database subscriptions.

The vision of Jamia is to create an atmosphere of all-inclusive learning for all, irrespective of socio-economic status, religion, and gender, to shape young minds and foster originality and innovations. The university intends to continuously upgrade its levels in academic deliverance, research outputs, as well as support pioneering concepts.

# ABOUT OUR VICE CHANCELLOR

**Padma Shri Professor Najma Akhtar** was appointed the Vice Chancellor of Jamia Millia Islamia in 2019, becoming the first woman to be appointed as Vice Chancellor of a Central University in India.

Prof. Akhtar is a gold medallist from Aligarh Muslim University and has a Ph.D. in Education from Kurukshetra University. She is a stalwart in the field of educational planning and administration, having completed Commonwealth Fellowship at the University of Warwick, UK and Nottingham, and also having been trained at UNESCO, Paris. Prof. Akhtar has held several leadership positions, including as Controller of examinations AMU, and the Head of the Department of Educational Administration at the National Institute of Educational Planning and Administration (NIEPA). She also established

the first state-level management institute at Allahabad. Under her leadership as the first woman Vice Chancellor of a central university in India, the University has advanced rapidly to become one of the highest-ranking universities in the country. The University acquired a NAAC Accreditation with grade A++ in 2021 and third rank in NIRF amongst central universities in 2022-2023

Her career stands as a testament to the many ways in which women have accomplished a series of "firsts" in academia. Her progressive outlook and advocacy of gender equity and inclusiveness to increase female enrolment at the university has been lauded by the Government of India. She was awarded the Padma Shree, the highest civilian award of the country by the Hon'ble President of India in 2022. For her exemplary service to the society, she has been appointed as Colonel Commandant of the University by the National Cadet Corps in 2023.

She continues to spearhead initiatives that champion world class education and research to make a lasting impact on higher education in India, which further contributes to shaping the future of youth of our country.

*Dean, Faculty of Dentistry*

## FROM THE DEAN...

It gives me great pleasure to present you with a brief overview of the Faculty of Dentistry, which is currently ranked 10th in the National Institutional Ranking Framework (NIRF) for dental colleges in India. Since its inception in 2009, within a relatively short span of 14 years, we have distinguished ourselves with robust teaching pedagogy, societal outreach programs, undergraduate research, and collaborative research with reputed institutions both in India and internationally.

The Bachelor of Dental Surgery (BDS) program, which is recognized and regulated by the Dental Council of India, currently admits 50 students every year. As per regulations, all admissions to the BDS course are made through NEET and MCC. The Faculty of Dentistry also runs an externship program for those students who wish to complete their compulsory one-year internship at Jamia Millia Islamia.

Nearly 450 patients attend the nine specialty dental clinics in the Faculty of Dentistry. State of the art infrastructure includes CBCT, digital OPG, digital imaging, dental hard and soft tissue lasers, while advanced therapeutics includes implants, aligners, conscious sedation, oral cancer screening, histopathology, and oral surgery for facial trauma, cysts, and tumours of orofacial region.

One of our main focus areas is the community outreach program, which is conducted through dental camps with a state of art mobile dental van. Diagnostic and treatment camps are also conducted in a satellite clinic at Nizamuddin basti, which aims to increase awareness about oral health among the marginalized sections of our society.

We are proud of a robust student mentoring system, which enables an effective student support mechanism. Our students reflect the diversity, that is characteristic of our country and come from all over India, from different social and economic backgrounds. The mentoring system helps teachers to know their students, beyond the walls of a classroom and support them while they aim for excellence in all spheres of life as a student.

Over the years, our students have gone further to pursue post graduate courses in the most reputed, highest ranked institutions in India. Several students have joined the defence forces and most significantly, a large number have established their own dental clinics in small towns and villages. We are extremely proud of these students who are torch bearers for good oral health in rural communities, which have poor access to oral health facilities.

This booklet about the Faculty of Dentistry, presents the various dental and medical specialties along with their respective faculty members. It also highlights the regular and advanced treatments offered by each specialty to signify the level of patient care along with the practical exposure offered to the students during their clinical trainings.

The holistic education at Jamia Millia Islamia is reflected in the various extracurricular events that are part of the student enrichment activities in the Faculty.

We believe that **“We can inspire hope, ignite the imagination, and instil a love of learning”**

# CELEBRATIONS...

**Clockwise from top left:** 1) Second prize at Xuberance 2K23 Manav Rachna Dental College, Faridabad (15th April 2023); 2) Iftar Party at F/O Dentistry (13th April 2023); 3) Winners of Dentocon 23 Seema Dental College, Rishikesh (20th April 2023); 4) Team F/O Dentistry first prize winners of basketball tournament at Inter-faculty sports tournament JMI (21st March 2023). 5) Winning basketball team of F/O Dentistry with the Vice Chancellor JMI.

# FACULTY RESEARCH – A GLIMPSE!

Funded Research Projects received by F/o Dentistry, JMI

Scheme	Total Number of Projects	Grant Sanctioned (Lakhs)

Online Training Workshop on "Ethics For Research Involving Human Participants" organized by Jamia-Institutional Ethics Committee and Faculty of Dentistry (7th March 2022).

# ENRICHMENT PROGRAMMES

# ENRICHMENT PROGRAMMES

**Clockwise from top left:** 1) Hon'ble VC Prof Najma Akhtar as Chief Guest for webinar on "Living with the times: managing mental health during COVID 19." by renowned Psychiatrist Dr Ashok Kumar Jainer and Squadron Leader Meena Arora (19th June 2021); 2) Prof. Ritu Duggal (Chief & Head, Division of Orthodontics, Centre for Dental Education and Research, AIIMS, New Delhi, delivering invited lecture at "Art and Science of Crafting Standout Orthodontic Research" (2nd-3rd December 2022); 3) Prof. Sridhar Kannan as invited speaker at E-Gurukul Orthodontic lecture series on 31st October 2022; 4) Quiz competition "Nature's Quest" for observance of World Environment Day (31st May 2023); 5) Prof. Puneet Batra (Principal, Manav Rachna dental College and Member, Dental Council of India) as invited speakers for Anti-ragging workshop (28th March 2023); 6) Brig. Dr. S.K. RoyChowdhury, SM, as invited speaker at JMI-CanCon 2023, symposium on Oral Cancer (11th February 2023).

# OUR SPECIALITIES

FACULTY AT GLANCE

# ORAL MEDICINE & RADIOLOGY

## Faculty

S. No	Name of Faculty	JMI Email ID	Room #	Research Area
1	Prof. Mandeep Kaur	mkaur@jmi.ac.in	110	Oro-facial pain, Oral and Maxillofacial radiology, Forensic Odontology
2	Prof. Virender Gombra	vgombra@jmi.ac.in	110	Oral lesions and Oral radiology, Forensic Odontology
3	Prof. Shamimul Hasan	shasan1@jmi.ac.in	101	Oral Potentially Malignant Disorders, Oral signs in Systemic disorders
4	Dr Rahnuma Masood (Contractual/Guest)	rmasood @jmi.ac.in	110	Oral lesions

## SERVICES PROVIDED

- 1 Oral Mucosal lesions
- 2 Orofacial pain & TMD
- 3 Developmental disorders
- 4 Forensic Odontology
- 5 Oral Radiology

## Faculty

S. No	Name of Faculty	JMI Email ID	Room #	Research Area
1	Prof. Abhishek Mehta	amehta@jmi.ac.in	109	Oral epidemiology, Evidence-based dentistry
2	Dr. Aditi Verma	averma1@jmi.ac.in	101	Dental public health, Program administration
3	Dr. Bushra Ahmed Karim	bkarim1@jmi.ac.in	101	Public Health, Oral Health Delivery Systems
4	Dr. Nikhat Parween (Contractual/ Guest)	drnikhatparween@gmail.com	109	Tobacco Cessation Counselling

## SERVICES PROVIDED

- 1 Community Health Services
- 2 Mobile Dental Clinic
- 3 Tobacco Cessation Clinic
- 4 Dental Health Education
- 5 Biostatistics.

# ORTHODONTICS & DENTOFACIAL ORTHOPAEDICS

## Faculty

S. No	Name of Faculty	JMI Email ID	Room #	Research Area
1	<b>Prof. Priyanka Kapoor</b>	pkapoor@jmi.ac.in	210	Functional jaw orthopaedics Biomarkers in orthodontics
2	<b>Prof. Panchali Batra</b>	pbatra@jmi.ac.in	209	Cleft orthodontics, Ortho surgical cases
3	<b>Prof. Harneet Kaur</b>	hkaur@jmi.ac.in	209	Interdisciplinary/ Adult orthodontics Skeletal anchorage system (micro-implants)
4	<b>Dr. Tabassum</b>	drtab0786@gmail.com	206	Temporary anchorage devices & 3D Printing
5	<b>Dr. Shahnaz Mansoori (Contractual/ Guest)</b>	smansoori@jmi.ac.in	213	Diagnosis and removable appliances.

## SERVICES PROVIDED

- 1 Functional jaw orthopedics
- 2 Orthognathic Surgeries
- 3 Removable appliances
- 4 Fixed Braces
- 5 Aligners

# PEDIATRIC & PREVENTIVE DENTISTRY

## Faculty

S. No	Name of Faculty	JMI Email ID	Room #	Research Area
1	Prof. Amina Sultan	asultan@jmi.ac.in	204	Preventive Dentistry Preventive Orthodontics
2	Prof. Vivek Mehta	vmehta@jmi.ac.in	204	Restorative Dentistry Pediatric Endodontics
3	Prof. Akanksha Juneja	ajuneja@jmi.ac.in	204	Dental trauma Management Child Development and Behaviour Management
4	Dr Maryam Siddiqui (Contractual/Guest)	dr.maryamsiddiqui@gmail.com	204	Aesthetic Dentistry ECC Management

## SERVICES PROVIDED

- 1 Restorative Dentistry
- 2 Dental Trauma Management
- 3 Preventive Orthodontics
- 4 Pediatric Endodontics
- 5 Preventive Rx

# CONSERVATIVE DENTISTRY & ENDODONTICS

## Faculty
