A Bi-Annual, Peer Reviewed, International Journal
Vol. 33, Issue 1 - January 2026

NON-THEMATIC

The forthcoming non-thematic issue proposes to engage in an interdisciplinary manner with the varied ways in which women continue to face discrimination and marginalisation in the socio- economic, cultural and political arena. We invite papers that critically engage with these and other related issues and offer fresh insights into the debate on the status of women in India and around the world. Some of the sub-themes the issue hopes to examine are:

- Women and Democracy
- Globalization and Gender inequality
- Women, Violence and Vulnerability
- Representation of Women in Popular Media
- Gender Justice, Education and Empowerment
- Rethinking Gender Equality in terms of Inclusion, Diversity, Equity & Accessibility
- Women's Participation in Public Life & Shifts in the Social, Political, Legal and Economic Environment.
