

## Laboratories

1. Workshop
2. Production Engineering
3. Engineering Graphics
4. Engineering Mechanics
5. Applied Thermodynamics
6. Strength of material
7. Material Science
8. Heat & Mass Transfer
9. Instrumentation& Measurement
10. Computer Aided Machine Design
11. Fluid Mechanics
12. Mechanism & Kinematics of Machines/ Theory of machines
13. Dynamics of Machine
14. Vibration laboratory
15. Refrigeration and Air Conditioning
16. I.C Engines and Automobile Engineering
17. Solar Energy
18. Robotics and Automation
19. Industrial Engineering
20. Project Laboratory
