Press Release

More than 6 thousand candidates appeared in Graduation (Private Mode) exams at JMI, results uploaded in record time

Jamia Millia Islamia(JMI) provides the facility to appear through private mode examination for class 10th, 12th, graduation and post-graduation apart from regular and distance &open learning mode. This facility is quite useful particularly for those female candidates who cannot pursue higher education through regular mode due to various reasons.

In the year 2019 more than 6 thousand candidates appeared in Graduation (Private Mode) for subjects coming under Humanities & Languages and Social Sciences, which is 20 percent more than the last year. Out of this 70 percent were women.

Under the guidance of Prof. Najma Akhtar, VC, JMI, Office of the Controller of Examination has for the first time uploaded the results in record time on 28th July 2019, which earlier used to be declared in the month of December.

It is also for the first time that the results of private mode examinations are uploaded on the university website. First and second year candidates can get a copy of their mark sheet by using their login-id and password. Adding results with the user-id and password will help the candidates from far flung and rural areas to access it easily. Candidates from third year can visit Office of the Controller of Examination to obtain hard copy of their mark sheet.

The timely conduct of examination and results were possible due to the efforts of the Office of the Controller of Examination headed by Dr. A.A.A. Faizy and his team that included Prof. Ahmad Mahfooz and Prof. Mehtab Manzar.
