Press Release

JMI Prof presents paper at Scientific Meeting of Aerospace Medical Association in U. S.

In an honour for Jamia Millia Islamia, Prof Munna Khan of Electrical Engineering Department, Faculty of Engineering & Technology presented a paper on noise measurement of Cargo aircraft and was also one of the 15 Speed Mentoring Mentors during recently held 88th Annual Scientific Meeting of Aerospace Medical Association (AsMA) at Denver, USA .

As a mentor he guided more than 20 young participants at the event. Through his extensive research work he has contributed in helping the aircrew overcome the aviation stresses and to improve their operational efficiency.

Prof. Khan, a Ph. D. from IIT-Delhi, is an Associate Fellow of AsMA since 2012. He is also Associate Fellow of Indian Society of Aerospace Medicine, India.

During the event, he also interacted with Dr. Michael R. Barratt, U.S. Astronaut and discussed present state of research and development project work with US Air Force Scientist, Dr. B. Hadley Reed.
