Jamia Teachers' Association condoles deaths of their colleagues

Jamia Teachers' Association (JTA) today condoled the deaths of three of their colleagues Prof. M Rais Khan (Retd.), Department of Mathematics, Prof. Nazish Husaini (Retd.), AJK-Mass Communication Research Centre and Dr. Muzamil Husain Quasmi, Department of Teachers Training and Non-Formal Education. Prof. Khan was also former Secretary of the Association.

At a condolence meeting, teachers of the Jamia Millia Islamia shared their grief and remembered their contribution to the university.

The Association also adopted a resolution saying, *"The JTA wishes to extend profound condolences to the family members, fellow teachers and friends of the departed souls. Their unflinching services to the academia as well as social spheres will be remembered forever and the departed souls may rest in peace and their memory shall remain a great inspiration to us all as good teacher as well as great human beings."*
