Press Release

Jamia to upload Answer Keys and OMR sheets of admission tests to bolster transparency

In a bid to bolster transparency, the office of the controller of examination, Jamia Millia Islamia resolves henceforth to upload Answer Keys and OMR sheets of admission tests on its official website for public scrutiny. The aspiring students shall have 48/72 hours to raise dispute if any through electronic means. The disputes will be placed before the team of experts to review the disputes and resolve them before the result processing activity takes place. Dr. A.A.A. Faizi, Controller of Examination has expressed satisfaction and congratulated the team of Assistant Controllers of examinations for their dedication and commitment towards the conduct of free and fair admission test. He says that this move of examination branch is in consonance with university's endeavor to bring about an ambience of transparency under the stalwart-ship of Prof. Talat Ahmad, the vice Chancellor of the university. He believes that practice of putting out answer keys in public domain will strengthen the credibility of entrance tests and fair opportunity for aspiring students will be ensured. He expresses satisfaction on the conduct of entrance examination by the university. The University received 2.05 Lakh applications for various Ph.D, M.Phil, Post Graduate, Diploma and Certificate courses run by the university. Till date as many as 3785 male students and 2226 female candidates have taken admission in the university for the academic session 2018-2019. There are still some courses where admission process is on.
