Department of Psychology organized One Day workshop on “Industry-Academia Interface”

The Department of Psychology, Jamia Millia Islamia (JMI) organized one-day workshop on "Industry-Academia Interface" on 14th November. The idea behind this interface was to create awareness among the students as what are the career opportunities in three specific areas, what skill sets are needed to succeed. More than 100 students actively participated in the event and get benefitted from it.

Department called industry experts from the areas of Psychology (Clinical, Counseling & Organizational Behaviour). Dr. Dr.Asif Iqbal Ahmad, Psychiatrist, (Founder, PsyCare-- Healing Minds, Healing Lives) , Mr.Vikas Shukla, Managing Consultant (IBM’s Talent Management Solution Organization), Ms. Parul Varghese, (AVP, Genpact, L&D), Dr. Parul Gupta, Head (Founder Potentials Therapy Center) Child Psychologist-Autism Spectrum Conditions, Ms. Sudipta, Clinical Psychologist, Department of Social Welfare, GNCTD, Delhi Government and Dr. Abdul Mabood, Director (Founder, SNEHI -An Organisation for Psychosocial Support and Mental Health Care) to interact with students. Department is offering specializations at Masters level in these three disciplines.
