Press Release

Adding another step on digital advancement path, JMI starts two digital portals to address Student Grievances and to Apply for Provisional & Migration Certificate:

Moving further towards digitalization, Office of The Controller of Examinations, JMI today started two new digital portals. The first portal is to address the issues of students related to correction in their document i.e. Marksheet etc. The students can submit their complaints online and it will be resolved in 5 working days by the Office of COE. The second portal is designed to apply online for issue of Provisional and Migration certificate. Earlier students were supposed to visit the Office of COE and apply offline for issue of Migration & Provisional Certificate.

Both the Portals were today inaugurated by The Registrar, JMI Mr. A. P. Siddiqui (IPS) in the presence of Controller of examination office Team.

Speaking on the occasion the Registrar, JMI Mr A.P. Siddiqui(IPS) said," Digital India is actually making the life easier, making the documentation process easier. It is a big step which will go a long way in helping the students to get their marksheets and other documents, if there is any problem just from sitting at his/her home".

The Controller of Examination Dr. A. A. A. Faizi mentioned the benefits of these portals. Dr. Faizi said that these portals will help students to solve their issues without visiting office of COE.

Office of COE has already started to work on Digital India theme by automation of examination system. Online Examination form, e-admit cards, declaration of results in 5 days after last exam etc are the major achievements of digitalization work.

Mr. Jitender Singh- AR, Dr. Khursheed Akram- Hony Asst COE, Dr. Ahteshamul Haque Hony Asst COE, Dr. Deepak Khem- hony Asst COE and Mr. Mustaqeem Ansari were present on this occasion.
