Press Release

‘Confluence 18’ organized successfully at JMI

Faculty of Architecture & Ekistics, Jamia Millia Islamia (JMI) witnessed valuable insights by numerous distinguished experts from the field of architecture and healthcare at their 1st National Symposium: **Confluence 18**. This Sangam was the first attempt in its kind targeting the indispensable key issues of affordability and feasibility of healthcare infrastructure for a common man. The session was presided over by **Mr. A.P. Siddiqui**, Registrar, JMI with **Dr. Anshuman Kumar**, Director, Dharamshila Narayana Superspecialty Hospital as the Guest of honour and **Ar. Rang Emei**, Principal, Helix Healthcare Consultants as the Chief Guest, who projected their perspectives on current and required scenario of the health facilities in India. The **Confluence EXPO 18** showcased the work of architecture students and clearly exhibited their dedication and hard work.

Faculty of Architecture & Ekistics, JMI organized it in collaboration with Dharamshila Narayana Superspecialty Hospital. The main objective of this National Symposium was to bridge that gap between the architecture, healthcare and engineering world.

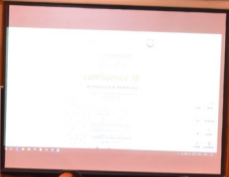

The dais was shared by renowned personalities like **Ms. Urvashi Prasad** (PHP, Niti Aayog), **Prof. Anil Dewan** (SPA, Delhi), **Dr. Sudhakar Manav** (CEO, Apollo Hospitals, Assam), **Dr. Pranay Sinha** (AIIMS), **Ar. Nandini Bazaz** (HOSMAC), **Ar. Mala Mohan** (ADG, MES, Ministry of Defence), **Dr. K.B. Sood** (NOUS), **Dr. Ashish Gupta** (CEO, BOC), **Mr. Vishal Indurkha** (HOSMAC), **Dr. Sonal Atreya** (IIT Roorkee), **Dr. Neeraj Dipak** (Dr. L.K. Hiranandani Hospital), **Mr. A.C. Verma** (Director, HTFE), **Dr. Saranjit Bhasin** (Head, F/o Dentistry, JMI), **Mr. V.S. Kukreja** (Director, VS Kukreja & Asso.), **Prof. Khalid Moin** (D/o Civil, JMI) and **Ar. Shikha Sharma** (Principal Architect, GBD).

Various roles were identified during the deliberation with possible loopholes and solutions in health facility policy making, planning, facility engineering and financial viability to make our society safe & healthy in the presence of many eminent personalities such as **Mr. B.K. Rana** (CEO, QAI), **Ar. Pradeep Aggarwal** (Health Finance & Policy Making, Jaipur), **Prof. Lamba** (Royal University of Bhutan), **Dr.(Col) H.S. Ratti** (Director, r-health), **Mr. V.V. Kumar** (Director, CAAD, Chennai) and many more.
