Press Release

JMI extends the last date to apply for short-term Entrepreneurship Development Programmes

Jamia Millia Islamia(JMI) has extended the last date to apply for various Entrepreneurship Development Programmes(EDP) at the university's Centre for Innovation & Entrepreneurship(CIE) from 31st July to 05th August 2019. The decision has been taken in view of the large number of enquiries about the programmes from different parts of the country.

CIE, JMI is offering EDP on PET Bottle Manufacturing and Drinking Water Packaging, Bakery Products, Spices Grinding and Packaging, Paper Cup/Glass/Plates manufacturing, Tailoring and Embroidery Training.

In addition to these courses, the Centre has introduced four new courses namely Sales & Marketing, Grooming of Factory Operation/Assembly Line/Packaging, CNC (Computer-Controlled Machine) Basic Training, CNC (Computer- Controlled Machine) Advance Training.

CNC (Computer- Controlled Machine) Basic Training and CNC (Computer- Controlled Machine) Advance Training is being offered in collaboration with NSIC (National Small Industries Corporation), Ministry of Micro, Small and Medium Enterprises (MSME).

These programs in Livelihood Business Incubation(LBI) Centre are being run under "A Scheme for Promoting Innovation; Rural Industry & Entrepreneurship (ASPIRE)" of the Ministry of Micro, Small & Medium Enterprises. The programs are aimed at self employment generation among aspiring start-up entrepreneurs.

Just Clean Global Pvt. Ltd., an organisation has agreed to ensure the jobs to the successful candidates on the completion of the course.

Minimum qualification is 8th Standard for the programmes Pet Bottle Making, Bakery Products, Spice Grinding & Packing and Beautician Training, Tailoring and Embroidery. The duration of these programme is of 8 weeks.

Minimum qualification for CNC (Computer- Controlled Machine) Basic Training is minimum 8th standard while its duration will be of 45 days.

For admissions to Sales & Marketing, Grooming of Factory Operation/Assembly Line/Packaging and CNC (Computer- Controlled Machine) Advance Training, minimum qualification is 12th pass or equivalent. Duration of Sales & Marketing, Grooming of Factory Operation/Assembly Line/Packaging courses is 1 Month whereas CNC (Computer- Controlled Machine) Advance Training is of 2 months.

Interested candidates can collect the application form from the LBI Centre, Jamia Millia Islamia (Near University Polytechnic) between 10.00 A.M. to 6.00 P.M. on all working days.
