NSS, JMI sets up an Admission Help Desk to facilitate students for entrance tests

NSS unit of JMI has set up a help desk for students seeking admission in different classes of various Jamia Schools. The NSS volunteers at the help desk are addressing queries raised by students and their parents and guiding them to various entrance test centers.

The entrance examinations for admissions in schools began yesterday. While entrance tests for admission to XI (Arts and Commerce) was conducted yesterday and for class VI was conducted today. Tomorrow the test would be conducted for admission to XI-Science and IX classes. Approximately 5,500 students had appeared in the entrance test for class XI (Arts and Commerce).

A waiting area with the access of drinking water and convenience has been provided for the parents and guardians who would be accompanying the candidates to the examination centre in JMI.

The help desk is functioning under the guidance of Prof. N U Khan, Dean, Faculty of Social Sciences and Programme Coordinator, NSS. Dr. Abid Hussain, Assistant Professor, Department of Psychology and Programme Officer of NSS is supervising the arrangements.

The team of NSS, JMI is all set to help students for upcoming university entrance examinations also.
