Press Release

Jamia Academic Repository to showcase research work of faculty members

Dr. Zakir Husain Library, Jamia Millia Islamia(JMI) has created an online Jamia Academic Repository (JAR) which currently consists of about 500 manuscripts, 750 rare-books, 470 theses, 500 volumes of old Urdu serials and 30 volumes of old newspapers.

These full-text resources can be accessed 24x7 at *www.jar.jmi.ac.in/xmlui*. from anywhere.

These resources are also available on National Digital Library (NDL) which is an initiative of Ministry of Human Resource Development (MHRD) under its National Mission on Education through Information and Communication Technology (NMEICT) to provide learning resources with a single-window search facility.

The library will also upload JMI faculty publications on JAR. These faculty publications can be accessed full-text within the university on Intranet.

The library has requested all the faculty members and researchers to send a PDF copy of their research paper on *universitylibrarian@jmi.ac.in* *for* uploading on JAR.

It will help in showcasing the intellectual output of the university, will provide wider publicity to the research work and will also help in promoting research activities, said the newly appointed University Librarian Dr. Tariq Ashraf.

The library has also requested the faculty members and researchers at the university to submit a copy of their published books for display in the library.
