Press Release

Four new departments in JMI , UGC approves 28 teaching positions

Jamia Millia Islmia is introducing 4 new departments for which University Grants Commission (UGC) has approved 28 teaching positions.

The new departments are-- Foreign Languages, Hospital Management and Hospice Studies, Design & Innovation and Environmental Sciences.

For each department the UGC has approved 7 teaching positions. Each department will have one Professor, two Associate Professors and four Assistant Professors.

JMI Vice-Chancellor Prof. Najma Akhtar addressing Jamia community on the 99th Foundation Day of the university on October 29, had said that four new departments will be opened shortly.

Thanking the UGC for giving the approval the Vice-Chancellor said the new courses will help preparing students as per available job opportunities in the market.

“In future we are planning to introduce more such courses in the university,” she said.
