Press Release

**Book jointly authored by JMI Professor and an Alumnus released at UNESCAP**

A book titled “**Measuring Structural Change and Energy Use in Indian Economy: An Input-Output Approach**” jointly authored by Prof. Shahid Ahmed, Professor, Department of Economics, JMI and JMI alumnus Dr. Anjali Tandon, Faculty at ISID was released by **Dr. Nagesh Kumar**, Director and Head of the South and South-West Asia (SSWA) Office of the United Nations Economic and Social Commission for Asia and the Pacific (UNESCAP-SSWA), New Delhi.

The book was released at the inaugural session of a workshop on ‘Strengthening Policy Analysis in Support of Implementation of Sustainable Development Goals’.

The foreword of the book has been written by **Professor TCA Anant**, Former Chief Statistician, Government of India, and is published by Bookwell Publishers.

Prof. Ahmed already has 5 published books to his credit in fields of international trade, investment and development. He has also published 94 research articles in national/international journals and in edited books on issues like multilateral trade negotiations, regional economic cooperation and South-South cooperation.

Prof. Ahmed has also served at the UN Conference on Trade and Development (UNCTAD) as Senior Economist. He has also served as Head, Department of Economics; Director, Centre for Jawaharlal Nehru Studies and Finance Officer of JMI.
