**Enactus JMI wins Confluence on Entrepreneurship 2020**

Team Enactus Jamia Millia Islamia (JMI) was declared the winner at Confluence on Entrepreneurship 2020 organised by Tata Institute Of Social Sciences, Tuljapur on 30<sup>th</sup> December, 2020.

The confluence had witnessed participation of teams from all over India. The primary objective of the event was to promote enterprise development as an opportunity of livelihood in post pandemic conditions with emergence of business models/ approaches to mitigate/ alternatives to counter the ongoing political and economic changes.

The team, awarded with a Certificate of Excellence and mentorship sessions, had proposed its project Shrimati which had managed to garner wide appreciation by the members of the confluence board as well as the participants of the event.

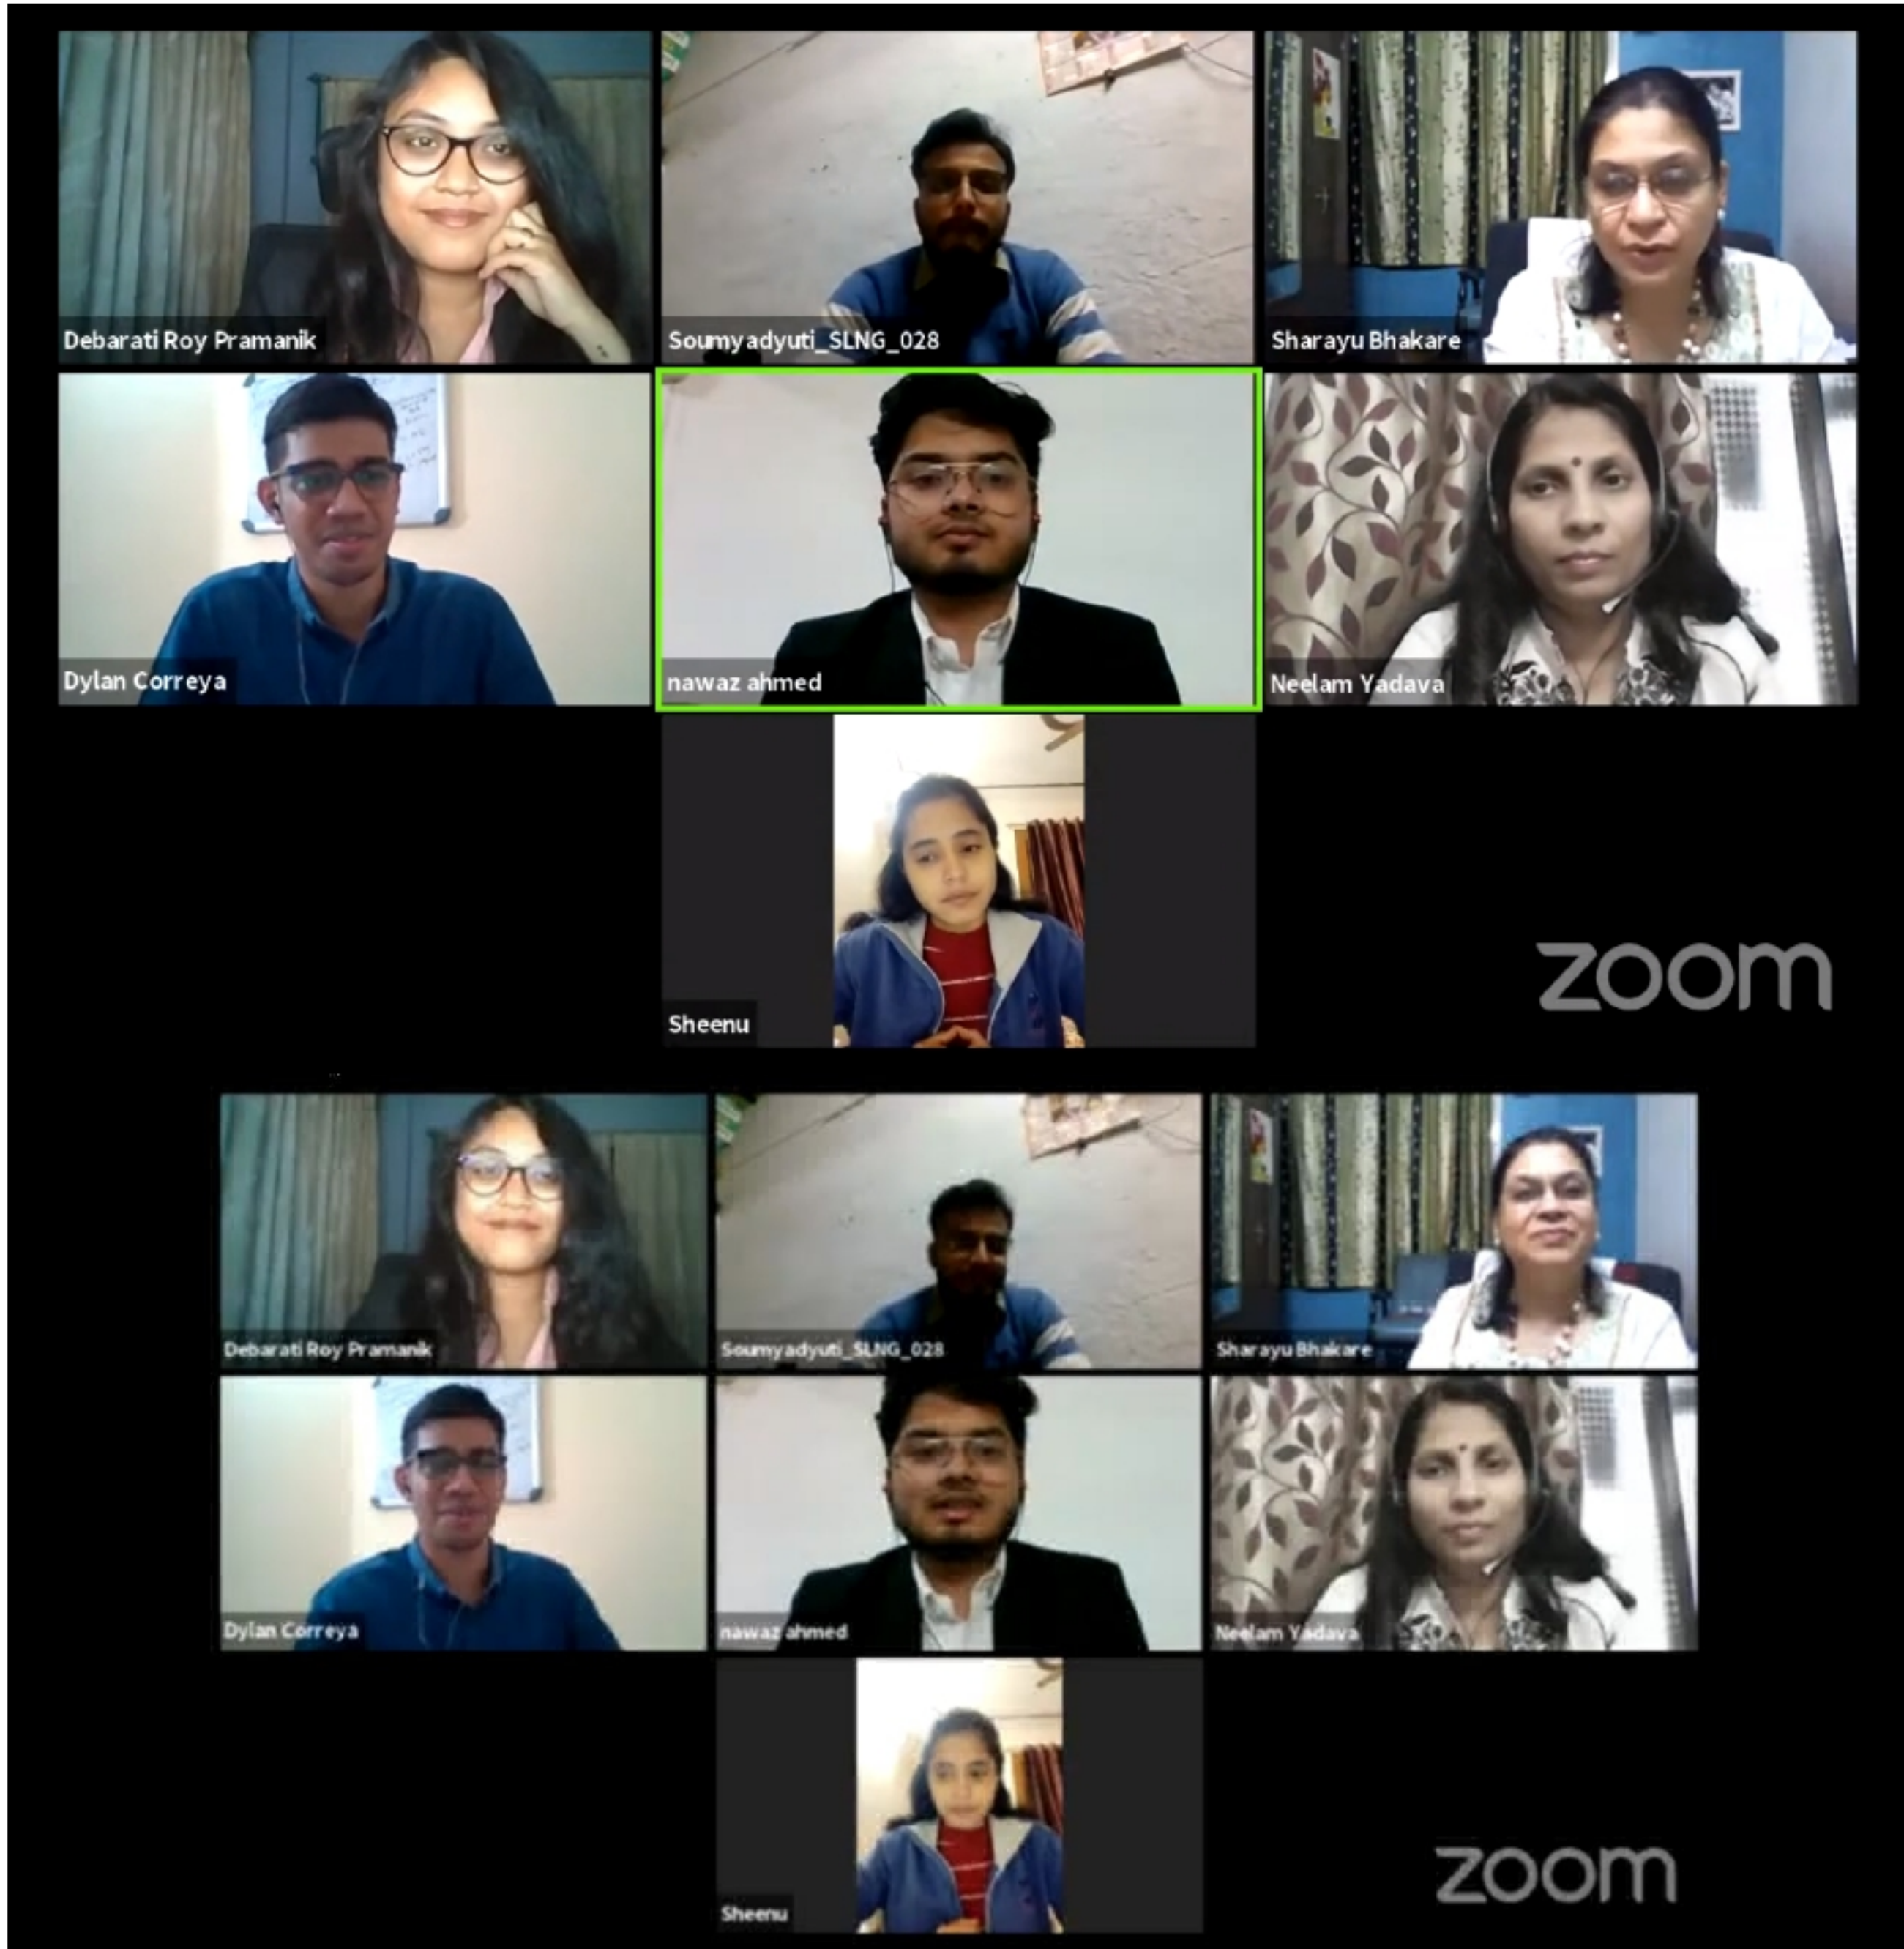

Through Shrimati, Enactus JMI endeavours to tackle the issues of unemployment, domestic abuse, plastic pollution as well as sanitary waste disposal. For the same project, the team had earlier secured first runner up position in another similar event hosted by Azim Premji University on 19<sup>th</sup> December, 2020.
