Press Release

Dr. Zakir Husain Library of JMI reopens today

Dr. Zakir Husain Library, the iconic Central Library of Jamia Millia Islamia (JMI) was thrown open to its students today after its vandalization on 15th December 2019.

The library reopened after its extensive renovation and face lifting and was hugely welcomed by large student community of the university.

With nearly 800 seating capacity consisting of a reading hall, research floor, reference and periodical section and a well equipped digital resource centre, comprising of 150 computers, library resumed all its services today. The text book and research sections of the library are opened till midnight and witness huge footfall.

Effort has been made by providing better facilities to students by installing LED lights and providing new and comfortable chairs.

Library proposes to strengthen its user services in coming days by extensively leveraging information and communication technologies. It is a matter of great satisfaction that despite heavy odds library has been able to utilize its budgetary allocation completely and renew its subscription to electronic databases.

Officiating Vice Chancellor of JMI, Prof. Ilyas Husain expressed satisfaction over opening of the new block of the library after a long time. He hoped that the old section of the library will also be opened soon.

The period of nearly three months during which library remained closed was utilized for improving the functioning of a large number of Faculty and Departmental Libraries by deputing there the staff of Central Library .

The free time was also utilized to migrate library management software to an open source software from the commercial one for more effective integration and discovery of resources .
