Press Release

JMI to organise Webinar on “Discipline in Universities: Issues and Challenges”

Chief Proctorial Department, Jamia Millia Islamia(JMI) is organising a Webinar on “*Discipline in Universities: Issues and Challenges*” on September 8, 2020 with a central idea that universities are autonomous bodies encompassing not just teaching learning activities but are given the highly valued task of character formation for the generations to come.

The objective of the webinar is to discuss and explore the dimensions of need for discipline, why and how to maintain discipline and the issues and challenges thrown to teachers and university administration when it is transgressed and violated.

The purpose is also to explore the pitfall when the focus on knowledge gathering shifts to participation in activities that are non or counterproductive and carried out at the very cost of learning, deviating from the premise with which the student actually entered the temple of learning- the University in the first place.

The speakers will also discuss the university policies related to student discipline and whether it should be extended for off campus activities and to explore the need of reformative mechanism or process for such students against whom disciplinary action taken and to deliberate the need of a mechanism in universities for counselling of such errant students.

Vice Chancellor JMI Prof. Najma Akhtar will be the Chief Guest of the webinar and Chief Proctor of the university Prof. Waseem Khan is Chairman of the webinar.

Prof. R.C. Kuhad, Vice- Chancellor, Central University of Haryana, Prof. Mohd Wasim Ali, Chief Proctor, AMU, Prof. Dhananjay Singh, Chief Proctor, JNU, Prof. O.P. Rai, Chief Proctor, BHU, Mr. Devesh Srivastava(IPS), Jt. Commissioner of Police, Delhi, Mr. A.P. Siddiqui(IPS), Registrar JMI, Prof. Mehtab Alam, DSW and Former Chief Proctor, JMI, Prof. Masood Alam, Security Advisor and Former Chief Proctor JMI and Mr. M.I. Haider, DANIPS, DCP, Delhi will be the speakers in the webinar.

The webinar will be organised on Google Meet and can be joined with the link <https://meet.google.com/emt-ydqp-amf>
