JMI organises Webinar on “Discipline in Universities: Issues and Challenges”

Chief Proctorial Department, Jamia Millia Islamia(JMI) today organised a Webinar on “*Discipline in Universities: Issues and Challenges*” to discuss and reassess the understanding of changing dynamics of indiscipline and re-strategizing efforts to maintain the discipline in campuses in the wake of newer challenges in the turbulent times that we are living in.

Prof. Najma Akhtar, Vice Chancellor, JMI was the chief Guest of the Webinar which was moderated by Dr Shikha Kapoor, Assistant Proctor, JMI.

Prof. Waseem Khan, Chief Proctor, JMI and Chairman of the Webinar welcomed the Chief Guest and other dignitaries. He said that discipline is prerequisite for acquisition of knowledge and without discipline, knowledge cannot be acquired.

Prof. Khan also said that the Proctorial Department is the bridge and a mediator between students' aspirations, university's goals and government policies. Challenges are increasing everyday due to increase in use of social media, rumour mongering, cyber bullying etc. Universities have to evolve and become more hi-tech.

Prof. Najma Akhtar, Vice Chancellor, JMI in her address said “By discipline, the universities never mean illogical rigidity, irrational and lifeless imposition of rules. I believe it is our responsibility to ensure discipline through impression rather than suppression. We have to create an atmosphere of love and respect rather than fear on our campuses. We have to plan comprehensive activities with fundamental objectives of education in mind and ensure the activities in classrooms, libraries, labs and play grounds go well”.

Prof. Mohd Wasim Ali, Chief Proctor, AMU, Prof. Dhananjay Singh, Chief Proctor, JNU, Prof. O.P. Rai, Chief Proctor, BHU, Mr. A.P. Siddiqui(IPS), Registrar JMI, Prof. Mehtab Alam, DSW and Former Chief Proctor, JMI, Prof. Masood Alam, Security Advisor and Former Chief Proctor JMI and Prof. Mohd. Sarwar Alam, Chief Proctor, Jamia Hamdard were the speakers in the webinar.

Registrar JMI Mr. A.P. Siddiqui (IPS) was the first speaker to deliberate on the issue. He gave a very comprehensive and ring side view of discipline in universities. He opined that universities are temples of learning and problems should be resolved within the campuses. He urged universities should nourish young minds and allow them to explore, express, and promote

diverse opinions. But unlawful activities and bullying in campuses and hostels should be kept under check.

The webinar ended with a vote of thanks presented by Dr. Mohd Asad Malik, Deputy Proctor and Convenor of the webinar.
