Press Release

Union Education Minister inaugurates JMI's newly constructed School of Education building

Hon'ble Union Education Minister Shri Ramesh Pokhriyal 'Nishank' today inaugurated the newly constructed building of the School of Education, Faculty of Education, Jamia Millia Islamia(JMI) through a video conferencing platform. The building has been constructed through a grant provided under Pandit Madan Mohan Malviya National Mission on Teachers and Teaching(PMMMNTT) Scheme of the Government of India.

Vice Chancellor JMI Prof. Najma Akhtar formally welcomed the Chief Guest in the presence of Deans of Faculties, Heads of Departments, Registrar Mr A.P Siddiqui(IPS), Controller of Examination Dr. Nazim H Jafri, teachers and other staff members.

Speaking on the occasion Prof. Akhtar first thanked the Hon'ble Education Minister for providing financial support to construct the new building and requested him for further support in providing ICT infrastructure and other equipments at the new building.

The Vice Chancellor further said that JMI will try to do its best to implement plans and programmes of the New Education Policy (NEP)2020 which is holistic and multi-disciplinary in nature. NEP will create new opportunities for students in the domain of higher education.

She further said that JMI needs government's support for establishing a medical college-cum-hospital as there is no government hospital in the vicinity of the university. She hoped that the Ministry of Education will look into this long impending demand of the university in near future. Staff of the university and the people living in nearby areas are feeling the need for a government hospital much particularly during Covid time.

Hon'ble Education Minister Shri Ramesh Pokhriyal 'Nishank' congratulated the Jamia fraternity for the new building. In his address he said that Jamia in its 100th year is one of the top institutions of the country after facing so much of challenges all these years. He gave credit for this success to the teachers of the university.

While appreciating the efforts of the Vice Chancellor Prof. Najma Akhtar and his team in the administration of the university affairs Shri Pokhriyal said that without wasting time Jamia is working on a mission mode and good results are reflection of those efforts. He further said that Jamia will be a centre of hope in future too.

Hon'ble Minister gave assurance to the Vice Chancellor that it will look into all the help sought by her for further development of the university.

Earlier, Prof. Aejaaz Masih, Dean, Faculty of Education gave a brief introduction about the new building. Programme ended with a formal vote of thanks presented by Mr. A.P. Siddiqui(IPS), Registrar, JMI.
