Press Release

**More than 100 staff members of JMI vaccinated to prevent Covid-19**

More than hundred teaching and non-teaching staff of the Jamia Millia Islamia (JMI) above 45 years of age were today given the first shot of Covishield vaccine to prevent Covid-19. The two-day vaccination camp is being organised at Dr. M. A. Ansari Health Centre of the university.

Those given shots were kept under observation for about 30 minutes to observe any side-effect of the vaccine. Thankfully no side effects were observed. They were also given Paracetamol tablets to be consumed if they feel any pain/fever and advised to keep themselves hydrated.

A total of 220 RT-PCR free tests were also conducted for all health beneficiaries of the university today to detect Covid-19. Yesterday, 276 tests were conducted. It was the second day of the three-day test drive. It will continue tomorrow as well.

The test drive is being organized in collaboration with Delhi Health Services (DHS), Government of NCT of Delhi.

The university's health centre has been equipped with all possible emergency arrangements for the drive.

The vaccination and RT-PCR test have been organized at the direction of the Vice Chancellor, Prof. Najma Akhtar keeping in view the health and well-being of all the stakeholders. Earlier the university administration had received requests from Jamia Teachers' Association and Jamia Administrative Staff Association for the same.

**WHAT COVID-19  
YOU  
NEED TO  
KNOW: VACCINE  
SAFETY**

PROTECT EACH OTHER    PROTECT YOURSELF    PROTECT YOUR COMMUNITY

The projector screen displays a Denver Health presentation slide. At the top left is the Denver Health logo, which includes a heart icon and the text "DENVER HEALTH". The main title of the slide is "WHAT COVID-19 YOU NEED TO KNOW: VACCINE SAFETY", with "WHAT", "YOU", "NEED TO", and "KNOW:" in yellow and "COVID-19", "VACCINE", and "SAFETY" in white. To the right of the text is a graphic of a syringe with a blue plunger and a red band around its base. Below the main title, three phrases are listed: "PROTECT EACH OTHER", "PROTECT YOURSELF", and "PROTECT YOUR COMMUNITY".

MUSCLE AND BONE HEALTH

Man in white shirt and black pants, wearing a white face mask, sitting on a white stool. He is holding a light-colored cloth over his chest.

Healthcare worker in green scrubs and a blue face mask, wearing a pink floral headscarf, adjusting the cloth on the man's chest.

Person in dark clothing and a blue face mask, partially visible on the right side of the frame.

White table with medical supplies including a metal tray, bottles of hand sanitizer, and a blue container.

Yellow basket on a white stand with a smartphone inside.

Yellow plastic stool.

Red plastic stool.

Blue plastic stool.

A calendar or chart is visible on the wall to the right. It has a grid of numbers and colored cells (blue, green, yellow). The numbers are arranged in rows and columns, with some cells highlighted in different colors. The text "CHECK" is visible at the bottom of the chart.
