Press Release

Successful Placement of Maiden batch - M.Sc. (BFA) in JMI

After 100% internship placement of the Maiden batch of M.Sc. (Banking and Financial Analytics), the placement drive has kick started with the packages to the tune of Rs 6.25 lakhs and 5 lakhs, which is matter of great pride for Department of Economics and Jamia Millia Islamia alike especially in these difficult and testing times of the pandemic, where the recruiting activity has remained subdued throughout the country. It is due to the fact that the quality content of the programme has a lot to offer to the companies as the meticulous structure of the programme has been designed by a team of renowned experts keeping in the mind the need of the hour in present Digital Era.

While congratulating the selected students for their efforts, Prof Halima Sadia Rizvi, HoD of Economics emphasized that it was possible due to joint efforts of the University Placement Cell and the Coordinators / Faculty Members from the Departments of Economics and Computer Science and Management.

The two reputed companies, Phronesis Partners and Cians Analytics, conducted interviews for the placement drive. All of the 41 students participated in this drive. Three students were selected on a package of Rs. 6.25 Lac Per Annum in Cians Analytics, Gurgaon and three were offered Rs. 5 Lac Per Annum in Phronesis Partners, Noida.

Furthermore, many more companies like Xceedence, BYJU'S and others have also expressed their intent to offer positions to this batch of 2019-2021.

Prof Najma Akhtar, the Vice Chancellor of Jamia Millia Islamia has congratulated the selected students, lauding the efforts put up by HoD and faculty members of the Department of Economics.

The Curriculum and Course Structure of M.Sc. (Banking & Financial Analytics) are available on the official website (www.jmi.ac.in) of the university.
