Registration for JMI's Gerda Philipsborn Day Care Centre (crèche) open
- A very useful facility for working parents

Jamia Millia Islamia (JMI) under the supervision of its Mushir Fatma Nursery School has an extension faculty for a 'Child Care Centre' named Gerda Philipsborn Day Care Centre (crèche). The centre is equipped with sleeping facilities, indoor-outdoor play equipment, resting facilities & child size furnishing etc. with affordable monthly charges. Keeping in view the working parents' demand and requirement, the university has re-opened the centre which was closed down during the COVID-19 crisis.

The main focus of the Centre is to create a comfortable environment with stimulating activities and also to create a nurturing and safe atmosphere with a range of activities that meet each child's developing requirement.

The registration and enrolment for Gerda Philipsborn Day Care Centre is going on in full swing. The willing parents can contact the centre for further details and can call on Mobile No. 9711665614 for more information.
