Press Release

**JMI to offer Short Term Training Programme on 'Artificial Intelligence and Machine Learning'**

New Delhi, May 14, 2025

The Department of Computer Engineering, Jamia Millia Islamia (JMI) will conduct a three-week Short Term Training Programme (STTP) on 'Artificial Intelligence (AI) and Machine Learning (ML)' in hybrid mode. The 50-hour duration STTP will start from 1st July to 19th July, 2025. All Diploma, UG, PG as well as Ph.D. with Maths backgrounds candidates are eligible for the course.

A total of 160 seats are available for this STTP out of which 60 seats are for offline participants and 100 seats will be for online participants all of whom will be admitted strictly on First Come First Served Basis (FSFS).

This STTP shall have theory classes of 20 hours duration and hands-on practical training for 30 hours. It will comprise of five modules, namely, (1) Introduction of AI & Python Programming Basics (2) Applied Data Science with Python (3) Machine Learning Algorithms (4) Deep Learning for Computer Vision with Keras & Tensorflow and (5) Deep Learning for NLP with Keras & Tensorflow.

Experts from JMI and other reputed central/foreign universities, IITs, NIITs, IIITs as well as industry will be the resource person for the course. A Certificate shall be provided at the end of successful completion of the STTP to the participants.

Additional information as well as online registration link are available on the official website of the university at the following link <https://jmi.ac.in/STTP-AIML2025> since 10th May 2025. Contact: 011-26980281 (office) & 9212832360.

The last date for submitting the registration form is **May 24, 2025**.
