

Press Release

4 JMI students selected for Rupa Rahul Bajaj Scholarship for Women in Engineering

New Delhi, May 14, 2026

Four students of the Faculty of Engineering & Technology, Jamia Millia Islamia (JMI), have been selected for the prestigious Rupa Rahul Bajaj Scholarship for Women in Engineering, an initiative of Bajaj Auto Ltd. aimed at empowering meritorious women pursuing engineering education in core technical disciplines.

The scholarship program provides financial assistance of up to ₹8 lakhs over four years, along with industry exposure, mentorship opportunities, life skills training, and exposure to new-age manufacturing technologies. The initiative seeks to strengthen the participation of women professionals in India's manufacturing and allied sectors.

The following students have secured the highly competitive and coveted scholarship:

1. Adiba Fatma, Department of Electrical Engineering – ₹36,056/-
2. Sufia Ansari, Department of Electronics (VLSI Design & Technology) – ₹1,52,875/-
3. Hiba Swaliha K, Department of Mechanical Engineering – ₹50,725/-
4. Sofiya Saiyyad, Department of Electrical Engineering – ₹19,225/-

The selection of students from Jamia Millia Islamia reflects the academic excellence and talent nurtured at the university's Faculty of Engineering & Technology.

The university administration has extended its congratulations to the selected candidates and wished them continued success in their academic and professional journeys.

Prof. Saima Saeed
Chief Public Relations Officer
