Prof. Majid said apart from being a well-established historian of modern India, Prof. Mushirul Hasan was a great visionary and administrator too. During his tenure as Vice Chancellor, Jamia touched new heights as a vibrant central university of India. JMI had not expanded so much in the single tenure of any other Vice Chancellor. He was one of the greatest architects of Jamia. He revived many traditions like Jamia Taleemi Mela and strengthened the outreach program of the University through it.

He said JTA feel deeply sad on his demise. All present at the meeting conveyed their heartfelt condolences to Prof. Mushir Saahab's wife, Prof. Zoya Hasan Saahiba and his family.
