Press Release

JAMIA MILLIA ISLAMIA PLACED FIRST IN ZONAL NASA CONVENTION 2018

Faculty of Architecture and Ekistics, JMI came first under Zone 1 of NASA. The Faculty got the award in Zonal NASA convention with the theme of 'EDITOPIA: OVERWRITE PERFECTION'

The National Association of Students of Architecture (NASA India) is one of the largest Architectural Student Organizations in the world with student participants from more than two hundred colleges all over the India and countries around the world. The main objective of NASA India is to create a platform for architecture students to learn and interact, engage them directly and indirectly through both online and offline platforms. NASA India conducts events, conventions, seminars, workshops, design competitions & trophies and many other activities.

NASA was held from 18th October to 21st October 2018 at College of Architecture IET Bhattal, Chandigarh with over 50 Colleges attending the convention

“Architecture is living and vibrant, all diversity gets into architecture. NASA is the forum which offers the free expression with competitive spirit to students of architecture. It is great this year Jamia students have excelled again.” – Prof. S. M. Akhtar, Head of the Department said on the the performance of the students.

49 student delegates including the Unit secretary Aman Ullah and the Unit Designee Syed Suhaib Hasan attended the Convention from JMI along with three faculty members Ar. Imaad Nizami, Ms. Anupama Kumari, Mr. Fahad Bin Khurshid and participated in various events, trophies and workshops.
