JMI organises a lecture series “Dentistry: The Destinations Ahead”

Faculty of Dentistry of Jamia Millia Islamia (JMI) organised a lecture series, “Dentistry: The Destinations ahead” on 25 th November 2019 as part of the university’s centenary celebration.

The series which consisted of two lecture sessions was attended by about 315 students and faculty members of various dental colleges across Delhi & NCR as well as general dentists.

The lecture series commenced with a lecture on “Will I be happy in my profession?” by Dr. Sandesh Mayekar, a renowned esthetic dentist from Mumbai.

He shared his clinical experience and emphasized the students to be honest, respectful and dedicated towards their profession. He also guided the dental undergraduates to pursue various short term clinical courses to improve their clinical skills.

The second lecture, “Where Dentistry Can Take You” was delivered by Lt. Gen. (Retd.) Dr. Vimal Arora, Chief Clinical officer, Clove Dental.

He encouraged the students to ‘find the gaps’ and enlightened them about the various career options, including corporate sector besides conventional jobs in the government sector available for dental graduates.

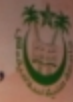

Dr. Arora motivated the students to identify their goals and work hard towards achieving them by constantly updating their dental skills as well as developing their soft skills.

In view of the response from the students, Prof. Sarita Kohli, Dean, Faculty of Dentistry said that more such lectures by leading experts in the field would be organized to motivate them.
