Press Release

Jamia organizes awareness program for Vector Borne Diseases

An awareness programme was organized for the stakeholders of Jamia Millia Islamia on 26-08-2021 at 11:00 AM in the Auditorium of the Faculty of Engineering and Technology for taking the precautionary measures in the light of perpetual breeding of mosquitoes so that the spread of deadly diseases like Malaria, Chikungunya, and Dengue be prevented. Dr. V.N. Bhagat, Deputy Health Officer of Central Zone and Epidemiologist Dr. Hemant from Malaria Department of SDMC addressed the audience and demonstrated the various measures to curb the spread of vector borne diseases spreading in the monsoon season.

The meeting was attended by the officials of Jamia including Professors Incharge Library & Horticulture, Heads, Provosts, CMO, AR's, Professors, Teachers & staff members, Representatives of all associations of Jamia, Local Councillor Ms. Neetu Manish Chaudhary and other officials of SDMC.

The program was conducted at the initiative of Dr. Nazim Husain Al-Jafri, Registrar JMI to ensure disease free campus in the rainy season. The event was organized by the Sanitation Unit of the Office of the Registrar and was chaired by Prof. Tokeer Ahmad, Nodal Officer, JMI.
